### INCOME TAX IN NUTSHELL

**WHO?** Single persons who had net income of \$1,000 or more or gross income of \$5,000 or more, and married couples who had net income of \$2,000 or more or gross income of \$5,000 or more must file returns.

**WHEN?** The filing period is from January 1 to March 15, 1924.

**WHERE?** Collector of internal revenue for the district in which the person lives or has his principal place of business.

**HOW?** Instruction on Form 1040A and Form 1040; also the law and regulations.

**WHAT.** Four per cent normal tax on the first \$4,000 of net income in excess of the personal exemption and credits for dependents. Eight per cent normal tax on balance of net income. Surtax from 1 per cent to 50 per cent on net incomes over \$5,000 for the year 1923.

### TIPS FOR TAXPAYERS

No. 2.

Every single person whose net income for the year 1923 was \$1,000 or more or whose gross income was \$5,000 or more, and every married couple (living together) whose net income was \$2,000 or more or whose gross income was \$5,000 or more, must file an income-tax return.

Broadly speaking, gross income is all income received by the taxpayer during the year from salary or wages, business, trade, profession or vocation, dealing in property, interest, rent, or dividends, or from the transaction of any business carried on for profit. Net income is gross income, less certain specified deductions for business expenses, bad debts, taxes, etc.

The exemption is \$1,000 for single persons, \$2,500 for married couples (living together) whose net income for 1923 was \$5,000 or less, and \$2,000 for married couples whose net income was in excess of \$5,000. An additional credit of \$400 is allowed for each person (other than husband or wife) dependent upon the taxpayer for chief support if such person is under 18 years of age or incapable of self-support because physically or mentally defective.

The normal tax is 4 per cent on the first \$4,000 of net income in excess of the exemptions and credits and 8 per cent on the remaining net income.
