The Pleasant Hill Community club held its regular meeting at the community hall February 2. In the absence of President C. E. Jordan, the vice-president C. L. Williams presided. After the business meeting there was a hard time social given under the auspices of the Woman's club of Pleasant Hill. All present came in hard time clothes and from the looks of some they had seen hard times for many a year. Mr. and Mrs. C. L. Williams took first prize for looking the poorest. Mrs. Williams' dress though a hard time garment was a work of much ingenuity as the sleeves, the waist, skirt and apron were all made of different materials while on one foot Mrs. Williams wore an old high heeled shoe and on the other a low flat slipper. Her hair was down her back in two braids. Mr. Williams wore an old white vest which being too small was laced together with shoe strings. Much merriment was caused by Mrs. Kelsay and her deputy Mrs. Andy Olson who arrested and fined those present for the slightest offense. Mrs. Belle Wimmer entertained the crowd with several lively old time pieces such as Arkansas Traveler, Coming Through the Rye, etc. which she played on the violin. refreshments consisting of beans, bread and butter were served. The committee in charge consisted of Mrs. Ase Higgins, Mrs. Jesse Carruthers, Mrs. Andy Olson, Mrs. C. L. Williams and Mrs. George Kelsay.

Ford
THE UNIVERSAL CAR
Forecasting A Tremendous Spring Demand
739,626
more Ford cars and trucks were produced last year than the previous year, an increase of over 50 per cent.
In spite of this tremendous increase in production, it was impossible to meet delivery requirements during the spring and summer months when orders for 350,000 Ford Cars and Trucks could not be filled.
This year winter buying for immediate delivery has been more active than ever before—and in addition 200,000 orders have already been booked through the Ford Weekly Purchase Plan for spring delivery.
These facts clearly indicate that the demand during this spring and summer will be far greater than ever, and that orders should be placed immediately with Ford Dealers as a means of protection against delay in securing your Ford Car or Truck or Fordson Tractor.
