The farm value of Oregon dairy products in 1923 was \$23,882,362.28, according to statistics issued by J. D. Mickle, state dairy and food commissioner.

The Sawyer Brothers' sawmill near Brownsville, suffered a loss of \$65,000 by fire. The mill itself was saved, but the fire destroyed large stacks of lumber.

An allotment of \$23,000 for improvement work on Willamette slough at Portland, was announced by General Lansing H. Beach, chief of army engineers.

July 25 and 26 have been set as the dates for the 17th annual convention of the Oregon State Editorial association. The convention will be held at Tillamook.

The Clackamas county court has outlined a program of road construction that will include 20.45 miles of bond roads that have been designated as market roads.

The Upper Columbia Athletic league, comprising the high schools of Sherman, Gilliam, Wheeler and Morrow counties, will begin the second annual baseball season Saturday.

Inability of the Bank of Gold Hill to pay checks sent through regular banking channels was given as the cause for an order issued by the state bank examiner, closing the institution.

The Oregon state fish commission has appealed the decision of a jury at Hood River, March 6, awarding to Sidney S. Mohler, \$5000 for 5 1/2 acres of land now occupied by the commission.

Indignation, especially by business men of La Grande, has been aroused in the last week because Industrial Workers of the World have established eastern Oregon headquarters in that city.

The Astoria city commission has granted a 20-year franchise to the Astoria Transit company for operating motor bus lines in the city to replace the street car system, which is to be suspended.

La Grande has organized a company of riflemen, known temporarily as the 162d infantry, but later to be known as company E, 186th infantry of the national guard, with 75 men enlisting for service.

The Southern Pacific company, in its street car operations, made money at both West Linn and Salem in 1923, but lost at Eugene, according to the annual report filed with the public service commission.

Women inmates of the Oregon state penitentiary hereafter will be compelled to wear prison garb, deposit their jewelry and money with the matron when they enter the institution, and write letters on stationery furnished by the state.

The Tillamook county fair board has adopted a plan to construct one main building on the new fair grounds in the Fairview district that will be modeled after the main building of the Pacific International Livestock exposition at Portland.

Families who have been using water from springs in various parts of the city of Astoria, have been officially informed that the water is impure. Recently City Manager Kratz and City Physician Vernon took samples of water from six of these springs and had them tested by the state board of health. The report showed that only one sample was pure.

The Jackson county sheriff's office has received word that Milan Jones, long sought by the authorities as a member of the Jones brothers gang of Josephine and Jackson counties, has been arrested in Los Angeles. Jones will be brought back for trial.

Two large eagles, which linemen believe had been engaged in an aerial fight and failed to see electric power lines, resulted in power being cut off from Pendleton for a brief period. The birds were found dead entangled in the lines not far from Umatilla.

Increase in the street car fares in Salem and Eugene from 6 to 7 cents, effective April 22, is proposed in a revised schedule filed with the state public service commission by the Southern Pacific company, which owns the trolley systems in those cities.

Oregon has rapidly become the haven of refuge for distressed Canadian husbands and wives who are fleeing to this state to obtain divorces that they cannot get in the dominion, according to R. P. Bonham, immigration director for the district.

For the announced purpose of preventing the possible introduction into this district of the hoof and mouth disease steps are being taken at Astoria to prevent vessels entering the port from dumping refuse and garbage into the harbor or onto the wharves.

Between 40,000 and 45,000 lambs grown in Umatilla county have been contracted for sale for fall delivery, according to Mac Hoke, of Pendleton, secretary of the Oregon Wool Growers. Prices, f. o. b. nearest shipping point, range from 9 1/2 to 10 cents a pound.

The Cold Springs government reservoir, which supplies storage water for the Umatilla project, is now full to the flashboards of the spillway. It contains 50,000 acre feet of water, or what is equivalent to 50 inches of rainfall for the lands that will be irrigated this season.

In addition to some 600,000,000 feet of Klamath Indian timber advertised for sale ten days ago, 350,000,000 feet more has been offered by the department. The latest offering, known as the North Marsh unit, is practically all western yellow pine, for which a minimum of \$4.50 a thousand feet is asked.

Although an illegal search warrant was issued by officers in searching premises for liquor or apparatus used in its manufacture, any evidence found in such a raid may be used against the defendant in the prosecution of the case according to legal opinion handed down by I. H. VanWinkle, attorney-general.

Captain George Mayo, corps of engineers, United States army, in charge of the first Oregon district, received word from Washington, D. C., that the award of the contract for 886,000 tons of rock for use on the Coos bay jetty had been approved. The contract was awarded to the Hauser Construction company.

Surveys for the power plant of the Pringle Falls Power & Water company, 40 miles above Bend on the Deschutes river, have been completed. It is stated by Oswald West, president of the company. The company plans to develop 6750 theoretical horsepower for use in pumping water for irrigation from wells in the Fort Rock valley.

The Guardian Life Insurance company, incorporated under the laws of New York state, brought suit in the Douglas county circuit court against Roy A. A. D'Autremont, alleged Siskiyou train robber, and Miss Dorothy Wilberg, clerk in a Roseburg confectionery. The suit is to annul four insurance policies, amounting in all to \$5000, alleged to have been taken out in favor of Miss Wilberg by D'Autremont prior to the train robbery and murder in which he is believed to have participated.

Installation of measured or meter service on all business telephones in the city of Portland; reduction of rates on all former lines with the exception of those radiating out of Portland, Salem and Eugene; regrouping of exchanges affecting Albany, Heppner, Hermiston, Prineville and Woodburn, and elimination of alleged inconsistencies existing in the rates between Portland and Oswego and Portland and Milwaukie, were the outstanding features in an order issued by the public service commission affecting the rates of the Pacific Telephone & Telegraph company.

Ex-liquor dealers and bankers of the middle west were named in a \$100,000 suit filed in the federal court in Portland by John S. Coker, United States attorney, to recover money lost by the government on an alleged dummy entry scheme. The government asserted that it has lost the money through the operations of a scheme to defraud in connection with some of the best timber lands in Baker and Union counties. Defendants were: T. F. Mackmiller, ex-saloon man of Iron River, Wis.; Mrs. Mackmiller, M. R. Woodward, ex-saloon man of La Grande; R. A. Steckehauser and Byron Ripley, bankers of Minnesota; Reiner Hoch, ex-brewer of Duluth; Frank S. Herbert and Lillian H. Callahan, Iron River, Wis.

FAMOUS KOREX COMPOUND, SENSATIONAL DISCOVERY NOW OBTAINABLE AT ALLEN'S DRUG STORE AND RED CROSS DRUG CO. Eugene, Oregon

Long Sought and Veritable Fountain of Youth Affirm Many Who Have Tested it--Enthusiastic Users Say Amazing Invigorating Effects Often Experienced in a Few Days.

USED BY THOUSANDS THE WORLD OVER SAYS RESULTS ARE WONDERFUL

Well-Known Drug Importer Adds His Praise To Statements Made Concerning Korex Compound.

Tacoma, Washington—"The quickest and most effective invigorator of its kind I have ever heard of in all my experience as a retail and wholesale druggist and drug importer," said George Todd, president of the Crown Drug Co., when asked for his opinion of the much talked of korex compound.

"My interest in the compound was aroused early last year," he says, "when I began reading statements and reports from all parts of the country about remarkable restorations to health and vigor reported by those who tested it."

Instrumental in Securing

Mr. Todd makes the statement that when he first asked the American distributors to supply him with korex compound for his dealers, they were not inclined to grant his request. "I made a special trip all the way to Kansas City, to see the Melton Laboratories, who own the korex formula," says Mr. Todd, "and convinced them that thousands of weary, prematurely old men and women would welcome such an invigorator for jaded nerves and sluggish circulation of the blood."

"Its now tremendous sale shows that I was right," he says.

Mr. Todd was instrumental in bringing korex compound to Eugene, Oregon.

DISCOVERER OF KOREX RELATES ITS HISTORY

Based on Extensive European Medical Practice—Missouri Chemist Early Tested its Merits on Self and Members of His Family.

Kansas City, Mo.—Credit for discovering korex compound goes to H. M. Stunz, a pharmaceutical chemist, connected with the Melton Laboratories here.

Mr. Stunz has spent practically all his life in the drug business and says his original idea of perfecting a real invigorator originated while a student at Kansas University. After leaving college, he continued his research for the proper formula that would have the selective effect necessary to correct overstrained nerves and depleted energy. Finally, he heard of a European ingredient, as yet little known to American physicians, but used quite extensively by specialists on the Continent. The breaking out of the World War at this time cut off his opportunity to secure this potent ingredient.

A Hard Struggle

"Those were dark days," says Mr. Stunz, in commenting upon his early struggles. "My friends laughed at my efforts and pointed out that nothing of the kind had ever succeeded before. But I knew likewise that no formula like mine existed and that korex compound would be an absolutely different invigorator once I was able to procure the necessary ingredients."

"Time has shown I was right. In the early days I experimented with the formula upon myself and members of my own family and watched the results closely. Now my friends and family, as well as thousands of other users, testify that there is nothing like korex for rebuilding energy and renewing the vital forces."

Korex compound may now be had in Eugene, Oregon at Allen's Drug Store and Red Cross Drug Co.

Exclusive agency has been awarded these stores by the Crown Drug Company of Tacoma, Washington, Pacific Coast Distributors of korex.

All desiring to regain the vigorous and efficient alertness of their earlier years are invited to stop in and ask for full particulars about this wonder compound, which many affirm is the long sought and veritable Fountain of Youth.

Tested by Thousands

Although never sold locally here before, it has been tested by thousands all over the world, and stories of remarkable rejuvenation as the result of its use have been told by users.

The weak and aged say that the vigor of prime manhood has been restored to them, quick relief from rapid decline has been reported by the prematurely old, sometimes in obstinate cases of years' standing, where all other methods and treatments had failed.

Women Report Relief

Weary, worn-out women, old before their time, have reported blessed relief from suffering after they had become skeptical and practically lost faith in the efficacy of anything to help them. Because it is especially prepared to have an invigorating natural effect upon the lower spinal nerve centers and blood vessels, thousands have used it for nerve weakness, gland trouble, aching muscles, poor circulation, premature old age and weakness after the flu.

Korex compound is inexpensive and easy to take. It contains no deleterious habit-forming drugs. No operation is required. It is put up in tablet form in compact boxes, easy to carry in the vest pocket. Users say its beneficial effects are quickly experienced and are complete and lasting.

PRaised BY CALIFORNIA PHYSICIAN

Declares Korex is Best Invigorator and Rebuilder Yet Known.

Commenting upon the many remarkable reports made by users of korex compound concerning its efficacy, a Los Angeles physician says:

"I have been told of all kinds of capsule and tablet gland cures and all have been condemned, but korex compound is without fail the best invigorator and rebuilder yet known." Adding to this, he says, "Results from korex are quickly obtained."

Practitioner 40 Years

This statement is from an ethical physician of standing in his community, with a practice of 40 years to vouch for his qualifications as an authority. It may interest thousands who would appreciate feeling alert and vigorous again.

Korex compound is neither a cure-all nor a so-called "gland" tablet. Its only claims of merit are the remarkable reports of invigorating results made by those who have tested it. If you think korex is what you need, be sure to visit Allen's drug store or Red Cross Drug Co.
