Here on Business—J. E. Stewart, formerly in the meat business in Springfield, but now living at Klamath Falls, returned to his home here Tuesday after spending several days in this vicinity on business.

JOHN S. MEDLEY for District Attorney

The matter of the election of a District Attorney is of more importance to the tax-payers of the County than it is to either a candidate or political party.

Keep Coolidge and Elect Dawes

Vote For The Common Sense Candidates
—Their Records Recommend Them

"I AM FOR ECONOMY. AFTER THAT
I AM FOR MORE ECONOMY"—Coolidge

He proved his faith by his works. This administration has saved the people \$6,000,000 daily in taxes as compared with 1921. It has lopped off 95,456 employees from the federal payrolls.

Dawes, the budgeteer, put the country on a business basis by cutting out the deadwood in governmental affairs. Deficits in former years have been turned into surpluses. The national debt has been reduced \$2,750,000,000 in three years.

FOREIGN POLICY SPELLS PEACE ABROAD AND PROSPERITY AT HOME

The Dawes plan has made rehabilitation of Europe, which means better markets and better prices for America's farm crops. Limitation of armaments is an administration policy and makes for peace as well as reduced costs of government.

The Republican tariff, linked with restrictive immigration, has brought prosperity to the man who toils. Wages were never so high, they would never buy so much, as today.

COOLIDGE POLICIES HAVE RE-ESTABLISHED PROSPERITY—CONTINUE THEM

When this administration took office, it faced all the problems of reconstruction. Deplorable conditions existed. The people were suffering from a tremendous deflation. Interest was high and capital scarce. There was general acute financial distress. Our citizens were compelled to sell their government bonds around 85 that they had bought in wartime at par.

A complete change has been accomplished. Never before in peace time has there been such constructive accomplishments as since March, 1921. Prosperity for all the people has replaced general distress. Industrially, the country was never on firmer ground. Agriculture, in dire plight when the Republican party came into power, faces a brightening future. Our depreciated government bonds have all risen above par and one is selling at better than 106.

THESE ARE SOUND, CONSTRUCTIVE, SENSIBLE
ACCOMPLISHMENTS

A Veto For Coolidge and Dawes is a Common-Sense Vote
Republican State Central Committee Portland, Oregon.
I. L. Patterson, Chairman. John W. Cochran, Secretary.
