Large advertisement for the Republican Party. Features portraits of Grant and Coolidge. Text: 'GRANT NEVER SAID MUCH, BUT HE STUCK TO HIS JOB -- SO DOES COOLIDGE. Performances Are Better Than Promises-- Don't Trade Realities for Uncertainty. Our country is in safe hands today--why change? Conditions are sound and wages higher than they have ever been. Why not let well enough alone? Excessive tax burdens have been lifted by Coolidge and his party. More than 4,000,000 heads of families were helped by the 25 per cent cut in income taxes. Nuisance taxes were removed. There is no longer a tax on automobiles costing less than \$1000, nor on theater tickets costing less than 50 cents. "I WANT THE PEOPLE TO WORK LESS FOR THE GOVERNMENT AND MORE FOR THEMSELVES"--COOLIDGE. The administration passed three revenue acts slashing taxes. The latest one alone saved the people more than \$400,000,000 a year, or almost \$4 for every man, woman and child in America. The people are being saved \$5,000,000 daily in taxes as compared with 1921. The cost of government has been cut that much. The national debt has been reduced \$2,750,000,000 in three years. Waste of public money has been stopped and billions saved to the people. There is a treasury surplus that will justify another cut in income taxes. PROSPERITY IS SWEEPING OVER THE COUNTRY WITH A RISING TIDE. When this administration took office, there were bread lines, unemployment and general distress. All this has been changed. Unemployment has been wiped out and prosperity restored. Liberty bonds, that sold then around \$6, are worth more than par today. Just as the Dawes budget fixed a policy of domestic economy, the Dawes plan ave the world new hope. German finances and credit are restored. She is again buying American wheat and the price has turned sharply upward. The Dawes plan is a stroke of genius. It is the greatest peace measure since the armistice. It opens the way to the restoration of Europe and restores great markets for American goods and farm products. It assures the United States of payment of war debts owed by foreign nations. THESE ARE HONEST, SOUND, SENSIBLE, CONSTRUCTIVE ACCOMPLISHMENTS. Don't be misled by wild promises or wilder charges by the outs. Vote November 4 for the constitution and your own best interests. Vote for a government of common sense. Republican State Central Committee, Portland, Oregon. I. L. Patterson, Chairman. John W. Cochran, Secretary. (Pair Adv.)'
