As compared with January, 1924, gasoline sales increased approximately 25 per cent, while distillate sales increased 18 per cent.

To insure that Medford's clean-up and paint-up week, designated by the city council as April 1 to 8, is thorough, the Crater club, city booster organization, has adopted the plan of displaying photographs of unsightly buildings and untidy yards in the chamber of commerce windows and will award a prize to the person who submits a complete list naming those responsible for the eyesores.

Governor Pierce announced that he had refused either to sign or veto a bill passed at the recent session of the legislature increasing materially the fees on automobile busses and trucks operating on the highways of the state. Unless attacked in the courts the bus bill will become effective at the expiration of the 90-day statutory period. The law requires busses to pay three-fourths of a mill per passenger seat per mile, while trucks would be assessed a fee of 1 mill per ton per mile. It has been estimated that this law would return to the state treasury approximately \$400,000 during the biennium. The attorney-general, in his legal opinion to the governor, held that the law was unconstitutional.
