Portland probably will have air mail service in the near future, following the call for bids by the postoffice department on eight new routes, including the Los Angeles-Seattle route and the Elko, Nevada-Pasco, Washington

S. L. Beck is drilling for artesian water on the John Brice place near Boardman. He recently brought in the tenth artesian well on the project for W. A. Price with a flow of three The Crater lake season officially gallons per minute at a depth of 109 feet. Seven fires were reported in the

A new manufacturing industry, to be known as the Western Paper Converting company will probably establish a factory in Salem, with a capitalization of \$200,000, and a plant necessitating the employment of from 150 to 200 persons.

Prospects are bright at Hood River this season for an apple crop of large size and good quality. The yield is now estimated at 60 per cent of the 3,000,000-box tonnage of last year. The fruit will run considerably larger in size than last year.

Output of the 825 industrial establishments now in operation in Portland will have a value of \$216,180,000 in 1925. The annual payroll of these concerns will aggregate approximately \$40,000,000, this amount going to the 30,000 persons employed.

Perry Plymale, 13, of Bandon, is a candidate for a Carnegie medal for life-saving. Young Plymale was at his father's road camp at Hunter's creek, Curry county, and rescued a mother and her 13-year-old daughter from drowning in the stream which flows there.

Mounting to over 8,500,000 gallons, sales of gasoline in Oregon for May, 1925, more than equaled those of June last year, says a statement by Secretary of State Kozer. To date the motor vehicle fuels tax measure has brought to the state terasury the total sum of \$8,767,807.71.

With the pledging of milk from more than 250 cows in Benton county to a proposed cheese factory to be constructed by a co-operative association of dairymen at Tangent, it has been announced that the toal produchotel which towers above all other tion now necessary to insure success buildings in Ashland was opened last of one unit has been signed up.

Portland has been made the headquarters of the reorganized naturalize NOTICE IS HEREBY GIVEN. That students at the summer session of the tion service district, and V. W. Tomlinson, formerly head naturalization examiner in the Portland office, has been named director. The district will include Oregon, southwestern Wash-Transit company of Pendleton has ington, southwestern Idaho and northern California.

> When a permit for a million-dollar hotel was issued by the Portland building division the month of June surpremature explosion while blasting passed all previous records, with a stumps on the McMinnville Meat com- | total of 1098 permits calling for construction totaling more than \$4,696,830. Bank clearings also were higher than for any other June record and \$24, 608,625 over June of last year.
