RED CROWN GASOLINE

"60 MILES TO THE GOOD. HOW'S THAT?"

You can get from 15 to 30 miles more to the tankful of "Red Crown" if you follow the practical instructions in the Red Crown Mileage Card. Here's one motorist who got more:

"I've been following my mileage with a Red Crown Mileage Card, and I'll say the Standard Oil Company knows how to make real mileage gasoline. I'm getting 280 miles on a 20-gallon tank against 220 miles just a month ago, so I'm 60 miles to the good. How's that?"

You, too, can get extra mileage from "Red Crown"—start "saving miles" today. Buy from any Red Crown pump in town.
