Money Should Grow--Not Go

It's very discouraging to work hard and see your earnings all go without anything to show for them, isn't it?

Your money will GROW and not GO if you open an account here at the First National and deposit all of your income—drawing out just what is needed for actual expenses. Try it and you will see the truth of this statement.

The First National Bank OF EUGENE

IN THE COUNTY COURT OF THE STATE OF OREGON FOR THE COUNTY OF LANE

IN THE MATTER OF THE GUARDIANSHIP OF MERNITA LUTHER AND JUANITA LUTHER, MINORS. ORDER SETTING TIME AND PLACE

This matter coming on to be heard upon the petition of the guardian for authority to sell the real estate of the said wards described in said petition:

And it appearing to the Court from such petition that it is necessary and would be beneficial to the wards that all of said real estate be sold, therefore,

IT IS ORDERED, ADJUDGED AND DECREED:

That the next of kin of the said wards above named and all persons interested in the estate appear before this Court on the 14th day of September, 1925, at 10 o'clock in the forenoon of said day, at the County Court room in said Court House in Eugene, Oregon, and show cause, if any they have, why the guardian of said wards should not be licensed, authorized and directed to sell the real estate of the said wards described as follows, to-wit:

All of Lots One, Two, Three and Four and the East one-half of Lot Five in Block 110, Washburne's subdivisions of the Springfield Investment and Power company's addition to Springfield, Lane County, Oregon, as provided by law.

Springfield, Lane County, Oregon;

It is further ordered that this order be published at least three successive weeks in the Springfield News, a newspaper published and circulated in Lane County, Oregon, as provided by law.

Dated at Eugene, Oregon, this 19 day of August, A. D. 1925.

C. P. BARNARD,
County Judge.
A 27-27 S 3-10.

The extremely dry weather since June 1, together with spring frost injury and the damage of last winter have considerably reduced the fruit production of Oregon, and because of the curtailment prices are good and growers are expecting fair returns there systematically.
