

4L HEAD ANNOUNCES CONVENTION DATES

PORTLAND, Sept. 17.—(Special)—Announcement of dates for the various fall conventions and district board meetings of the 4L organization was made here today by W. C. Ruegnitz, 4L president, who also stated that the fourteenth semi-annual meeting of the board of directors of the organization would be held November 16 in Portland.

The representatives of the Willamette valley, Tillamook and Columbia river districts will convene October 26 in the new 4L hall at Westport, Oregon. The delegates of the Willapa harbor, Grays harbor, Tacoma, Seattle and northern Puget sound districts will meet October 28 in Tacoma. As far as possible district meetings are being combined for conventions in order that delegates from one district may have the benefit of contact with members from other localities, Ruegnitz stated.

East of the Cascades there will be three conventions. The locals of the Inland Empire districts will meet October 15 at Kootenai, Idaho. The eastern Oregon districts will meet October 19 at Baker, and the central Oregon will meet October 21 at Bend. Lumber employes and employers meet together at the annual 4L conventions to consider problems of mutual interest, as well as those of the lumber industry in general. The twelve 4L districts also elect employer and employe members to represent them at the district board and board of directors meetings where policies are formulated for the ensuing six months and matters of wages and working conditions acted upon.

Not Dumb But Dumber.

"Aha!" chortled the poor nut. "I have a good scheme to get rich quick. I'll open up a floral shop."

"But where are you going to get your capital to buy the flowers?" asked the wise guy.

"Don't need any; that's the beauty of it all. I'll cater only to funerals where flowers are omitted."

It is the runs scored that win the game. Training camp indications, promises, past records, etc., etc., mean but little once the schedule season is under way. Consistently good performance day in and day out, individually and collectively, is what counts, and always, it is the deciding element which brings home "the bacon"—the pennant, or CHAMPIONSHIP.

The advent of the baseball season offers an opportunity to point out to the citizens of Springfield how in civic affairs—as well as on the sports fields, performance is what counts. It applies to Springfield and to all of us as players, if this town is to be bigger, more prosperous, and a winner.

We say we are going to patronize home industries, and boost our town, but—do we? Performance counts. We buy one pair of shoes, a new bonnet, or a suit of clothes from home merchants—but do we buy all of our merchandise and amusement here? Performance counts. A three-base hit in April may win one game—but what is needed is plenty of three-base hits in April, May, June and every day, every month up to October—to win a baseball pennant. And every member of the team has to come through with his share of hits.

So it is in this Trade-at-Home game. Every citizen has to do his bit. Day in and day out he must be standing up to the plate "batting them out" for Springfield. If we all remember this and start now to playing the game hard for Springfield we will win. We will have a bigger, better, and more prosperous Springfield.
