Never mind the marks of little grimy hands

— or any other dirt, grime or blemishes on your walls. Sponge and water will take them away as they appear. And when dust has settled and given the whole room a look that makes you think of re-decorating, easy washing will make your walls like new again if finished with our

Velumina Washable Wall Paint

Let us show you the wide selection of soft beautiful tones, both for homes and business buildings. We can promise you there will be no laps or brush marks. It coats your walls with a poreless coating that grime cannot penetrate. Washing takes the place of re-decorating. We specialize in quality paints and varnishes — can fill your every need.
