Your Birthday
Is it this week?
NOVEMBER 8-14

If your birthday is this week you are proud, conservative, and independent—with a secretive and judicial nature. Your perception is remarkably keen, and your intuition is exceptional. You possess an indomitable will power, and are capable of exercising a marked influence over others.

You are irresistibly attracted by enterprises and projects characterized by mystery, and uncertainty, and are always looking for new fields to conquer.

Self-satisfaction is strongly marked in these people. They are inclined to live too much within themselves, becoming sad and disheartened, suffering much through disappointment.

The women usually have very fine voices, and become great singers, public speakers and actresses. The men are admirably fitted to be doctors, surgeons, or dentists.

AGGIE DOPE GOOD TO WIN N. W. CONFERENCE

Oregon Agriculture College, Corvallis, Nov. 12.—At the top of the Northwest conference ladder with five victories and no defeats, the Aggies this week are digging in at top speed to maintain their standing when they meet Oregon Saturday in the annual state classic at Eugene.

Dope runs strongly in favor of Schissler's orangemen this year as they suffered but one defeat this season while they have decisively defeated Gonzaga and Montana, each of which in turn won from Idaho, the team which took Oregon's measure in her first big game.

No Aggie man was injured in Saturday's victory over Pacific 56-0, hence the entire squad with the exception of Beal and Marvin Dixon is expected to be in top form Saturday.
