SCHEPP FOUNDATION OPEN TO SPRINGFIELD YOUTHS

An opportunity to enter the fellowship of the Leopold Schepp foundation is now open to all Springfield boys of the ages of 13, 14 and 15, it was learned this week.

In keeping with his desire to see thousands of deserving boys sign and keep a pledge to abstain from gambling and drinking, the founder, Leopold Schepp, of New York City, has offered \$200 at the expiration of three years to any boy of the prescribed ages who will sign and keep the pledge. Later in life, if the youth prospers, he is expected to return the pledge to the foundation that it may be used for other boys.

Springfield boys interested may obtain information and application blanks from W. A. Elkins, 832 Willamette street, Eugene. In writing, it is desired that the applicant give the date of his birth, and the school which he attends.

Each boy that signs the pledge and enters the foundation must have as his sponsor the pastor of his church, superintendent of his Sunday school, scoutmaster, or Y. M. C. A. secretary.

Below is the pledge which must be kept:

My Pledge.
Desiring to share the benefits of the Leopold Schepp foundation, I hereby pledge my best efforts to be worthy of the aid and encouragement which it offers.

First—To remember my accountability to my Maker, and endeavor with God's help to keep His commandments and daily seek His favor.

Second—To be loyal to my country, to obey the laws of the land which I live in, or in which I may sojourn.

Third—To honor my parents and all to whom honor is due.

Fourth—To be honest in all my dealings and endeavor to observe the rule: "Whatsoever ye would that men should do to you, do ye even so to them."

Fifth—To abstain from all intoxicating drinks and harmful drugs.

Sixth—To avoid the practice of gambling in any form.

Seventh—To shun evil companions and avail myself of such moral and religious influences as are within my reach.

Eighth—To cultivate those manly qualities which will fit me for good citizenship and for an honorable life.

If I am prospered in my career I shall count it a duty and a privilege to return to the foundation what it has expended on my behalf, in order that it may extend like privileges to other deserving boys.
