Your Birthday Is it this week?

APRIL 25TH — MAY 1ST

If your birthday is this week you are sympathetic and kind, and are capable of great self-sacrifice. You are, or can be, very secretive, reserved and quiet about your personal affairs. You are courageous, have a strong will power and great tenacity, and can always be depended upon in an emergency. You stand a little flattery, but are skeptical to a great degree.

You are idealistic, artistic, a lover of the beautiful. You are fond of music, art and poetry, but in a mechanical way rather than a creative way. You have a bright, vivacious mind and excellent memory and are never at a loss for a variety of conversation. You have a light-hearted, joyous, genial disposition—which wins for you many friends. You also have the faculty of being intensely sarcastic.

Persons born during these dates succeed in any line calling for continuity of thought, discrimination, precision and insight into human nature. Women become excellent teachers, writers, welfare workers, office executives and actresses. Men become lawyers, judges, physicians, salesmen, and mechanics.
