Wife and Husband
Both Ill With Gas
“For years I had gas on the stomach. The first dose of Adierka helped. I now sleep well and all gas is gone. It also helped my husband (signed) Mrs. B. Brinkley. ONE spoonful Adierka removes GAS and often brings astonishing relief to the stomach. Stops that full, bloated feeling. Brings out old, waste matter you never thought was in your system. This excellent intestinal evacuant is wonderful for constipation. Flanery's Drug store.”
