## Stanfield Gets Favorable Report On His \$5,000,000 Refund Bill

Restoring Taxes to 18 Counties

Senator Stanfield's bill to refund \$4,907,000 of O. & C. grant land taxes to 18 counties of Oregon was reported out favorably on May 8, 1926, by his Senate Committee on Public Lands, for passage in the Senate. Besides restoring this big sum to the counties affected, the bill provides for the annual payment of \$500,000 hereafter, which will very greatly reduce the burden of the taxpayers of Oregon.

### Winning Fight for Resources

Senator Stanfield maintains that Oregon's resources belong to the people of Oregon and is making a determined fight to secure them all of the revenues derived from the utilization of public

lands in Oregon, and to materially reduce taxes. His Grazing Bill, reported out favorably by the Committee on Public Lands, is the evidence of his campaign toward that end.

### Stanfield for Port and Shipping

U. S. Senator McNary wired Bert Anderson, republican county chairman of Jackson County, on May 4:

"I am busy assisting in the hearings before the Senate Commerce Committee on the attempted sale of the Oriental line by the Shipping Board to the Dollar interests. SENATOR STANFIELD IS ASSISTING ME IN EVERY WAY HE CAN."

### Writing Favorable Report on Lincoln County Refund

As ranking member of the Senate Committee on Claims, Senator Stanfield is drafting the report of that committee recommending the passage of the McNary bill for the repayment to Lincoln County of over \$45,000 in back taxes on the U. S. spruce lands.

### Insists on Early Completion of Roosevelt Highway

Senator Stanfield recognizes the economic and strategic value of the Roosevelt Highway and maintains that it should be completed at the earliest possible moment, because of the great development it will bring, particularly to all of Western Oregon.

### Helped Pass Original Federal Highway Act

Senator Stanfield, as a member of the Committee on Post Offices and Post Roads, gave material aid in securing the passage of the original \$25,000,000 Federal Highway Act. Senator Stanfield secured the inclusion in the Townsend bill of an appropriation of \$15,000,000 for forest roads, the first large appropriation for forest roads ever made by Congress.

### More Federal Funds for Rivers and Harbors

Since Senator Stanfield has been in the Senate, \$7,384,000 of Federal funds have been secured for the improvement of rivers and harbors in Oregon. As a member of the powerful Finance Committee, Senator Stanfield insists upon larger appropriations for river and harbor improvements in Oregon and is in position to render valuable aid in securing Oregon's just share of government money for this purpose.

Stanfield's High Rank on Senate Committees Helps Oregon. It Would Take Years for a New Man to Attain His Rank in the Senate. (Stanfield for Senator Campaign, E. D. Cusick, Mgr.)
