What Do You Get For The Price You Pay?

Some foods products are cheap because they are of poor quality—in other words they are cheap because they are cheap.

There is no economy in buying food of poor quality no matter what you pay. Nationally advertised, standard brands of known high quality are the kind of food products we sell.

When you buy our famous S. & W. Brand canned goods, for instance, you know you have gotten—

THE BEST FOR THE PRICE YOU PAY

and that price is usually lower than inferior grade goods. SAVE IN THE BASKET BY BUYING QUALITY GOODS that have our personal guarantee.
