OFFICIAL PUBLICATION LANE COUNTY UNIT NO. 14

County Fair Promises To Be Best in History

Many features will be of interest at the Lane County fair to be held September 22nd to 25th, according to Hugh H. Earle, secretary. Mr. Earle is making this a feature year for the fair and besides those planned by each person superintending the different departments, many other outstanding features will be evident.

The opening day there will be the Whippet races on the regular track which will be of great interest due to the fact that these will be the first dog races ever held in Oregon. The fastest dogs from southern California will compete against champions of the northwest. "Slow Eyes," record holder for the two hundred yard run will be present to uphold the marvelous record of 14 seconds for that distance.

The fair has joined the Western fair association which will bring to the track the fastest horses from California to compete against the best stock in the Northwest brought to the Lane track through the North Pacific Race Association. The track, which has been in charge of Chef Daniels this summer, is in wonderful condition and in complete readiness for the horses to start footing it. There will be running races every day.

Every day there will be a free exhibition in front of the grandstand featured by a daring head slide. A dog circus, comic acrobatics and a tight wire act will compose the rest of the free act.

The dog show will be the only dog show to be held in Oregon this fall and all the coast champions will be present, according to Frank Hill, in charge. He expects an entry list of 250 dogs. The show was granted by

the American Kennel club of New York, which has to pass upon a dog show before registered dogs may be entered, and will be one of the largest on the coast this fall. The exhibit of Great Danes will be a feature of the show, as many southern California fanciers are bringing Danes in an effort to gain greater credit with the Kennel Club.

Saturday, children's day, will be featured by the 4H club work by the children of Lane County. A full day's program has been arranged under the direction of Arnold D. Collier, county club leader. Projects completed during the summer will be on exhibit at the 4H Hut on the grounds, and many features will be shown during the day. A special luncheon for invited guests will be put on by the children, the food stuffs used in the meal consisting of things they have raised during the summer.

The barns are full and there will be the largest livestock exhibit ever shown at the Lane County fair.

Mr. and Mrs. Jack Schmidt of San Jacinto, California, pleasantly surprised Mr. and Mrs. A. W. Ferree one evening last week. The families had been neighbors in Washington a few years ago. The Schmidts have been touring the east and had visited in Minnesota and the Dakotas. The day following their arrival, they left for Arizona where they will visit before returning to their California home.

Mr. and Mrs. George P. Harrington have rented the Cline house recently vacated by the Manning family. Mr. Harrington has gone to the coast where he will teach and Mrs. Harrington will teach in district 160. They have two daughters who will enter the University of Oregon.

James L. Maxwell left for Menlo Park, California, where he will resume his college work.

Mrs. Ross Manning, who recently lived on the Cline place, underwent a major operation and is convalescing at the home of Mr. Manning's parents of Springfield.

Misses Lucille and Miriam Male attended the Teacher's Institute last week. Last year the young ladies attended the Monmouth Normal and this year Miriam is teaching a rural school near Creswell, and Lucille will teach the Warner school at Fall Creek.

Mr. and Mrs. Frank Kintzley of Fall Creek visited at the home of Mrs. Clara Male Saturday and Sunday.

Miss Lucille Wylie went to Toledo Sunday where she will teach in the High school. Miss Wylie completed her college course at Willamette University in June.

Mr. Ira Cline has been at Thermopolis Springs, Wyoming for several

weeks where he is taking treatments. E. E. Emock left for Pendleton where he will visit the Ralph Cline family and attend the Round-Up.

F. B. and J. W. Chase have gone on an extended trip to Michigan, Illinois and Kansas where they will visit relatives and inspect greenhouses.

Mr. and Mrs. Clarence Chase and little daughter, Mollie Madeline, accompanied by Mrs. U. G. McElhany left for Walla Walla, Washington and Idaho. Mrs. McElhany will visit at the Howard Short home at Moscow, Idaho. Mrs. Short was formerly Margaret McElhany.

Hoppicking which covered a period of ten days was completed in the Fish Hop yards Saturday. The proprietors express themselves as well pleased with their crop this year, it being 64,000 pounds, he best in three years.

Mr. and Mrs. J. J. Higgins of Fargo, North Dakota arrived at the T. J. Maxwell home. They plan on spending the winter in Eugene and may locate here. Mr. Higgins was in the real estate business at Fargo. He and Mr. Maxwell were wheat buyers at Graceville, Minnesota.

WILLAMETTE

Mrs. George Lord and son, Lawrence, of Swisshome, Oregon, have been visiting with relatives at Enterprise. Lawrence who was taken suddenly sick Sunday night at Swisshome and hurried to Eugene for medical treatment is much better and will return home with his mother this week.

Mr. and Mrs. Inman and daughters, Gladys and Violet, and son, Leroy, have moved from their summer home at Rainbow on the McKenzie to Springfield where they will spend the

winter. Mr. Rough who lives above Walterville has sold his ranch across the road from Pleasant Hill cemetery to Dr. Simons of Eugene.

Mrs. F. B. Godbolt of Red Bluff, California and Mrs. Melba Williams of Eugene spent the week end at the Tinker ranch.

A serious fire which caught in the shavings of the planing mill at the Bert Beaver lumber mill threatened to destroy the entire mill last week. A quick response from the neighbors was all that saved the mill! The fire which was burning in the shavings got beyond control and made its way under the mill. Boards in the floor were taken up and by buckets of water the fire was put under control just as it was nearing the machinery. A large pile of lumber which was burning on both ends was moved and water thrown onto it. It was only after a crew of men had worked several hours that the mill was considered out of danger.

The opening of Union High school No. 1 has been postponed for two weeks to allow as much construction work on the improvements and painting to be done as is possible. The high school will open September 27, the day the public school at Pleasant Hill opens.

Mrs. F. F. Cooper has moved over to the Swift ranch. Mr. Cooper is teaching at Marcola. Mrs. Cooper will teach at Pleasant Hill this year.

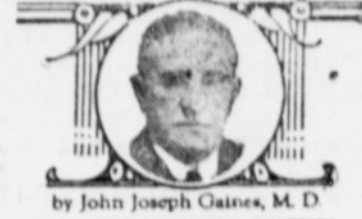

The school board of Union high school No. 1 met Monday night and opened bids for the construction of the new buildings and for painting of the buildings. The contracts for building the toilets, power house and auto shed went to Metz and Lawson of Eugene. E. E. Kilpatrick of Pleasant Hill got the contract for painting the gymnasium and main building. The bids for building the extension onto the gymnasium were rejected.

About Your Health

Things You Should Know

by John Joseph Gaines, M. D.

SLEEP

It has been said that sleep cures more nerve-disorders than all the drugs prescribed by science, to which statement most educated physicians willingly subscribe. Normal sleep is both preventive and curative for distressing states of the nervous system. Drug sleep is never natural—nor is the stupor caused by over-feeding. For best effects, sleep should be indulged at night.

Observe the new-born babe who sleeps most of his time, except when aroused to take nourishment; he is building a nervous system for many years of active service. His food contains the necessary ingredients, ready-prepared for his appropriation; being too feeble to take exercise, his sole business and occupation are the building of the rudimentary nerves along with the "temple" in which they are comfortably housed. Sleep is the ideal condition wherein Nature may accomplish her wonderful ends. Your wakeful, peevish, restless babe is going wrong—and will develop into a nervous, irritable, unhappy and defective youth, unless his course is corrected by the capable nurse or physician in charge. The adult is, in great measure, subject to the same physiologic law.

Sleep is the faithful chaperon of the nervous system, exerting her vigilance as long during life as her requirements are respected. Her approach is gentle—her touch sublime. And, what more delightful than her panorama of bewitching dreams? She is the guardian angel of the voyager on the sea of strenuous effort. To ignore her willfully and repeatedly is to be forsaken by her—in which event, the penalty is sure, for only the bended knee and the tear of penitence can induce her faltering return.

Our Quality Standard Is the Guide of Others

As each succeeding season crowds out its predecessor, people require the authoritatively new things to wear and use in the home.

The duty of the merchant, as we see it, is to provide all these things when they are needed in highest possible quality at the lowest possible price.

This Store being a part of a tremendous buying force resulting from the combined operations of the 745 Stores of this Nation-Wide Institution, it continuously enjoys the enviable position of being able to provide the new things while they are new and the staple goods that are always in demand at lower prices than are ordinarily asked.

Our goods provide the standard by which others make their comparisons. They sometimes match our quality but not the savings with which we provide you.
