EXTRAVAGANCE!

Have you ever observed that EXTRAVA GANCE has a great deal to do with putting the "mis" in misfortune?

Generally the one who says he has had nothing but hard luck is the one who foolishly spent his money when he had it. One simply cannot get ahead or amount to anything in this world unless he can save a part of what he earns. Only by so doing can he accumulate the funds that will enable him to grasp the opportunities that later mean SUCCESS.
