ELECTRIC LIGHTS FOR DOUGLAS GARDENS PLAN

Installation of an electric lighting system in the Douglas Gardens district is practically a certainty as a result of a meeting to consider the situation held by residents of the district Saturday night.

Arrangements are being considered with the Mountain States Power company to have the latter concern run a line to Douglas Gardens, the farmers paying the cost.

It is possible that the line will be extended on up to the Jasper district to supply power to Hill's mill, it was reported at the meeting. Farmers of

Douglas Gardens are said to be anxious to put over the improvement program, and negotiations with the power company are being pushed.

Scouts at Church

Ten Springfield Boy Scouts attended the Baptist church Sunday, under the leadership of Percy Tyson, master of the Lions club troop, No. 11. Mr. Tyson made a short talk before the congregation, explaining the purpose of Scouts work and telling of the aims of the local troops.

Bus and Car Crash

Sixth street was the center of casual interest for a short time Saturday morning when an automobile driven by Stanley Keys crashed into the Springfield-Eugene bus. A fender was crushed on the bus and more serious damage done to the Keys automobile. Responsibility for the accident was not fixed by local police who investigated.
