FEDERAL FUNDS FOR ROAD BUILDING LARGE

For forest highways in Oregon and Washington, \$948,000 of federal funds have been appropriated for the fiscal year 1928, beginning July 1, next. The total Forest Highway fund authorized for the fiscal year ending June 30, 1928, amounts to \$4,500,000, and is apportioned for highways in or adjacent to national forests in fourteen western states and Alaska.

Oregon receives \$523,000 and Washington \$415,000, under the program as approved by the Secretary of Agriculture and just announced by the District Forester, Portland, Oregon.

The program for the various states were determined following conferences attended by the State Highway Commissioners, Bureau of Public Roads, and the Forest Service.

The State quotas of funds include in many instances balances remaining from apportionments made for the current fiscal year in addition to the allotments available from the \$4,500,000 fund for the coming fiscal year. The amounts set up for each State will be devoted to location surveys and maintenance of existing roads as well as to actual construction work on various important projects in the forest highway system. The apportionments were made in accordance with regulations for carrying out the provisions of Section 23 of the Federal Highway Act.

ROLLINS HOSIERY

Miles of Wear in Every Pair "Answers the Gift Question"

When selecting a gift, whether it is for Birthday, Shower, Prize, Christmas, Graduation, Mother's Day, Easter, Valentine Day, or Anniversary, it is well to keep in mind that there is nothing so appropriate as hosiery. No matter how many pairs of stockings one may have, a gift of hosiery is always welcome. Hereafter, why not let hosiery—answer the gift problem.

What to Expect from Rollins

For thirty-five years Rollins Hosiery has had a reputation for being one of the best wearing hose on the market. This reputation has been built by using only the very best of raw materials. Good materials, combined with the Rollins careful process of knitting, the use of pure dyes and the close inspection, result in a product that always gives excellent service.

Important Things to Remember

When laundering silk stockings watch these five things very carefully and you will double the life of your hosiery.

- 1—Launder hosiery promptly after each wearing. Perspiration rots silk.
- 2—Do not apply soaps direct to the fabric. Make a suds and dip the hose up and down.
- 3—Do not twist or wring stockings. Always squeeze out the rinse water.
- 4—Do not dry by artificial heat, or in the sun.
- 5—Use only lukewarm water.

Things to Keep in Mind at the Hosiery Counter

- 1—Always buy a size that is large enough. Hosiery that is too small never will give satisfactory wear.
- 2—Hosiery is guaranteed against manufacturing imperfections only. Never expect a merchant to replace stockings after they have been worn.
- 3—Chiffon hosiery is never guaranteed.

Rollins Hosiery is sold only by reliable retail merchants—never by house-to-house canvassers

New Hosiery Economy added to Style

A new, exclusive feature in Rollins Improved Double Runstop hosiery now gives you the economy you have longed for in fine silk stockings.

Two Runstops insure positive protection against runs caused by garter pull and knee strain. One Runstop—always a dainty red dotted line at the hem—identifies Rollins and cannot be seen even with the shortest skirt. The other, at the knee, is invisible (the same color as the stocking).

Come in and see our complete line of Rollins Improved Double Runstop hosiery in a wide range of sizes and colors.

NOT-A-SEME The Hose Supreme

Appearance—Value

Notaseme is closely knit with a fashioned ankle to make the hose fit snug and trim without a wrinkle. In Notaseme you will find that well-tailored appearance that makes it preferred by women of taste and judgment.

These women know that if hosiery fits right, it wears right and looks right. They know that good looking and good wearing hosiery is doubly satisfying.

Sheer Beauty—Lustrous Silks

Notaseme Ladies' Hosiery is extremely smart and correct. These new and lovely colors give the dash and good style that win respect for the well dressed woman.

Notaseme is obtainable in the latest tints for summer, such as: Champagne, Dorada, Sunset Nude, Sandalwood, Moonlight, Dove Grey, Piping Rock, Evenglow, and many other shades dictated by Dame Fashion.

It's Fashionseme Leg—Notaseme Foot Hosiery

Notaseme introduces a new idea in all hosiery weights, not only in foot lengths, but in leg widths. Heretofore, hosiery has only been made in foot lengths—no thought of widths. The tall and slender woman stretched them in length. The stout woman stretched them in width. Either way the fabric was strained; therefore, it did not fit and it did not wear.

The makers of Notaseme Foot Stockings have perfected an exclusive process to knit seamless foot hosiery in slim, medium and large leg sizes.

The slender woman and young girl can secure perfect fit and wear in the slim model Notaseme. The stout woman will find the large model Notaseme to answer her every requirement for modishness and service. For the woman of average size who has never found extreme difficulty in securing correctly fitting hosiery, Notaseme offers undreamed of comfort, ease and distinctive appearance.

SHAPE PROOF—WASH PROOF—WEAR PROOF—GARTER RUN PROOF

Laraway's Department Store is exclusive dealer in Eugene for NOTASEME Hosiery and is authorized to exchange for new ones, any pairs that are found imperfect or that do not give satisfactory service to the wearer.
