The high school girls assisted by Mrs. Cooper, Mrs. Swift, Mrs. Garmire and Mrs. Kilpatrick gave Miss Lottie Bendshadler a surprise shower Tuesday noon at Riverside Park. The girls had prepared an elaborate luncheon which was served at the park, after which Miss Bendshadler was presented with a great variety of useful and beautiful articles for a home. Miss Bendshadler who has been a very popular teacher in the Pleasant Hill high school for 3 years is to be married the latter part of the summer.

The second edition of the high school annual "The Hepta" was distributed last week. The work was all done by the students of the high school on a mimeograph and is a credit to the school. The four classes, the alumni, the basket ball and base ball teams, the different school plays are all given their share of attention. Much advertising was secured from the merchants and the annual will be a profit to the school financially. Cartoon and poems and essays by the students as well as innumerable jokes make the book a valuable keepsake to the students.

School day which was postponed last Saturday will be held at the high school this coming Saturday.

Large crowds have been turning out to hear Teddy Leavitt and Claude Neeley who are holding a revival at Pleasant Hill. Many have joined the church. Sunday May 22 delegations came from many distant cities to attend the all day services and the basket dinner given at the noon hour. Although the weather had been bad all week and it had been decided to eat in the basement of the church the sun came out about noon so that tables were set in the grove at the school yard and dinner served cafeteria style. A splendid meeting was held in the afternoon in which several visiting ministers took part.

Meetings for children between the ages of six and twelve were begun Tuesday morning by Rev. Teddy Leavitt. Bible lessons will be given throughout the week and a chorus of childrens voices trained for an entertainment to be given Friday evening at the church.

Several from Lattins Mill near Crow spent the week-end at Pleasant Hill attending the revival services.

After a severe illness with high temperature Jerry and Donald Kabler are again able to attend classes at the high school.

Mary Harden is out again after an attack of the measles.

Mr. and Mrs. D. G. Linton, two daughters and two sons returned from Salt Sunday night where they were called by the death of Mrs. Linton's father, Mr. Klugow. They report sampling facilities along the highway

to be very good. Little Bobbie Linton whose forehead was badly cut two weeks ago when he ran in front of a horse shoe his brother was throwing in a game of horse shoe has had the dressing removed and the wound is healing nicely.

The Pleasant Hill high school boys went to Thurston last Friday to play ball but were driven home on account of the rain, having played only one inning.
