GRAND CLIMAX SPRINGFIELD'S COMMUNITY SERVICE WEEK

Merchants Offer Greatest Collection of Bargains Lane County Has Ever Seen

THE MERCHANTS Advertising on this page want everybody to unite in building a bigger and Better community. They want to do what they can to make everybody happy and prosperous in this community.

These merchants believe that dollars sent away to mail order houses, to large cities or given to peddlers sap the financial life blood of the community. These dollars NEVER COME BACK nor help to pay LOCAL, COUNTY and STATE TAXES, whereby we build our roads, pave our streets, conduct our schools and maintain law and order in the community.

These merchants are 100% for this community. They want you to hear Capt. C. S. Nusbaum, famous lecturer and community builder, who will point out how to become better citizens and build a big prosperous community.

As a special dispensation to create interest in Springfield Community Week This Great Collection of Bargains is Offered for One Day Only SATURDAY, OCT, 22nd
