Christmas—Peace on Earth—a thought sent through mortal flesh—gave to man a vision which has survived through more than nineteen hundred years of strife ever advancing until today, nations know and have turned to discussion of outlawing war. It was not nor is not a false promise from creative power. Instead only a rule of life, so simple that man has found it difficult to believe and follow its tenets. It is this; "A Little Child Shall Lead." With that understanding, true humility and simple faith, the wonders of "Peace on Earth" unfold. Not by might, not by power; but by the Spirit of God born in the life of man. **HAIL CHRISTMAS. 1927**

It is our hope that we may continue to serve you in the future—not however without thanking you for your past favors—and pausing to wish all a very Merry Christmas.
