UPPER WILLAMETTE

The young folks of the Pleasant Hill Christian Endeavor turned out in a body to attend the county convention held at Creswell last Sunday.

They tied with Fairmont for the attendance banner and will therefore have the banner six months. The young folks who attended were Mr. and Mrs. Allan Wheeler, Mr. and Mrs. Marion E. Hays, Mr. and Mrs. Lawrence Wheeler, Prentice, Noble and Blanche Wheeler, Leta Wheeler, Hazel Wheeler, Gladys Wheeler, Mrs. E. E. Kilpatrick, Elton Brooks, Alvin, Belle, Emma and Henry Olson, Carl and Marion Linton, Lyman Tinker, Henry Diekmann, Anna Fogles, Bert Fogles, Verna and Shirley Wiley, Donald, Gerald and Douglas Kabler.

The present rainy spell is interfering with the spraying of fruit trees which would have begun Monday. The warm weather is bringing out the leaves and buds and the first spray should be on the apple trees.

Gladys and Hazel Wheeler and Cora John have been home the past week from Monmouth spending their spring vacation.

Roy John was home over the week-end from Tiernan where he teaches school.

The public school children of Enterprise gave a splendid program and basket social last Friday night.

Base ball season has begun and Pleasant Hill high school will play the following games:

March 30—Pleasant Hill at Thurston.
April 6—Walker at Pleasant Hill.
April 20—Pleasant Hill at Elmira.
April 27—Pleasant Hill at Creswell.
May 4—Pleasant Hill at Mohawk.
May 11—Santa Clara at Pleasant Hill.

Mrs. J. T. Circle, who was ill last week has gone to the home of her daughter, Mrs. Frank Storer in Portland.

The members of the senior class are practicing for their play "The Deacon Entangled," which they hope to give the fore part of April.

Mr. Sastleman, who has been sick for several months, is reported to be slowly growing worse.

Lane county B league high schools have accepted an invitation from the Pleasant Hill high school to a track meet to be held May 19. Eight schools will be eligible to compete in the first B league track meet ever held in the county. There will be eleven events including 50-yard dash, 100-yard dash, 220-yard dash, 220 yard relay, broad jump, shot put, javelin throw, discus throw, and pole vault. This will be an all day affair with a picnic luncheon at noon. In the afternoon a baseball game will be played. Pleasant Hill high school has had a Field Day for the past two years, the different classes competing. This is the first year the outside schools have been asked to compete in the events.

Important Announcement to every owner of a Model T Ford

ON MAY 25, 1927, when Henry Ford first announced his plans for making a new car, he announced also that he would continue to make parts for the Model T Ford. He said:

"The Model T Ford car was a pioneer. It blazed the way for the motor industry and started the movement for good roads everywhere. It broke down the barriers of distance in rural sections, brought people in these sections closer together, and placed education within the reach of everyone. We are still proud of the Model T Ford. If we were not, we would not have continued to make it so long."

For twenty years, the Model T Ford led the automobile industry and it still serves more people than any other automobile. Over one-third of all the automobiles in use today are Model T Fords — an indication of the sturdy worth of the car and its value to people in all walks of life the world over.

The Ford Motor Company will continue to make replacement parts for these cars "until the last Model T is off the road." That is a part of Ford service. That is what Henry Ford meant when he said: "We believe that when a man buys one of our cars we should keep it running for him as long as we can and at the lowest up-keep cost."

Because of this policy a considerable part of the Ford manufacturing plants is given over to the making of parts for the Model T Ford. These replacement parts are made of the same material and in the same way as those from which your car was originally assembled.

Make it a point, therefore, to see the nearest Ford dealer and have him look over your Model T Ford. You may find that a very small expenditure will enable you to get thousands of miles of additional service, and at the same time protect the money you have invested in your car.
