W. R. DAWSON APPOINTED OAKLAND-PONTIAC DEALER

Appointment of W. R. Dawson as Oakland-Pontiac dealer in Springfield, Oregon and the adjoining territory, has been announced here by W. M. Warren, district manager of the Oakland Motor Car Company. The latest Oakland All American and Pontiac Sixes are already on display.

Since its recent introduction, the Oakland All American Six has proven to be one of the hits of the 1927 season. With longer wheel-base, new body lines, new motor and many interesting mechanical improvements throughout the chassis, the All American Six today is enjoying a nation wide popularity that is taxing the utmost efforts of the Oakland factory to meet. Pontiac, which sold more cars in the first year of its manufacture than any other new-comer to the automobile industry ever registered, is increasing its popularity and sales this year. Together, the two cars make a remarkably strong sales combination, and a record business in this territory is anticipated by the new representative here.

"As members of the General Motors family, both Oakland and Pontiac new models are tested on the great General Motors proving ground in a manner so thorough that no room for question regarding any feature of their performance or reliability exists," says Mr. Dawson. "The manufacturing methods used in the huge new Pontiac factory and the Oakland factory are the most modern and accurate known to the industry. The fact that the Oakland Motor Car Company's resources are backed by those of the immense General Motors organization has resulted in both Oakland and Pontiac representing very unusual values in the motor car market, as the response in sales has shown. We are very glad to represent Oakland and Pontiac here and are confident of excellent business on both lines."

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store—(Adv.)

YPK'S DEVRIS CHICKENS TALK DUTCH TO HIM

Chicago, Ill., April 5 (Autocaster)—Sixteen chickens in the custody of police presented a problem, as the owner was not known. Ypk Devris, a Hollander, came to claim them. Asked to prove they were his chickens, he said "If they're mine they'll talk to me." Ypk was taken to the cell where the chickens were asleep. He spoke to them in his native Dutch. The chickens, awakening, began to cackle and crow (in Dutch?) and to flap their wings. Ypk got the chickens.

A SMALL MR. TALL OF LONGFELLOW AVENUE

New York, April 5 (Autocaster)—Nathan L. Tall is 5 feet 1 inch in height, and lives at 1712 Longfellow Avenue. He was fined \$2 for a traffic violation, and the judge said to him:

"Mr. Tall of Longfellow Avenue, you're a short man for that name and address."

"I'm glad I'm not short on the fine," said Mr. Tall.

ERECT PERCHES AROUND LIGHTHOUSES SAVE BIRDS

London, Eng., April 5 (Autocaster)—The Royal Society for the Protection of Birds has erected large perches around the tops of various lighthouses which are on the birds favorite flying route around the British Isles. The bright beams of the lighthouses are responsible for the deaths of tens of thousands of birds annually. They are attracted like moths to a candle by the brilliant light, and finding no refuge the flocks in numerous instances fly round and round until exhausted and finally drop into the sea. The same beams now point the way to a haven of rest. Feed boxes are also provided.
