**UPPER WILLAMETTE**

The senior class of the Pleasant Hill high school had their annual skip-day yesterday and took advantage of the pleasant weather to drive to Newport. Sixteen including Prof and Mrs. E. E. Kilpatrick left about 5 in the morning. They spent the morning on the beach and some went in swimming. After eating lunch which was provided by the girls of the class they drove to Yoquina Head lighthouse where the keeper showed them the big lamp. None of the class had ever been in a lighthouse before and only half of the class had ever seen the ocean so they feel that their trip was an educational as well as a very happy one.

**SPRINGFIELD PICKUP TEAM LOSES TO FIRST STRING OF WENDLING**

Wendling regulars defeated Springfield baseball players in the first game of the season for the locals Sunday. The score was 8 to 1 for the lumberjacks.

Springfield's lineup was a pickup aggregation which had not held any practice. "Biddle" Delph of Eugene who pitched for Springfield twirled a good game, but did not have the proper support from his inexperienced backers.

Wendling's team is the one which participates in the Willamette valley league against Salem, Eugene, Bend,

and other large cities. No other games are yet scheduled for the locals. The players will get down to practice as soon as the grounds are in shape. Use of the Brattain school lot has been secured for the season. This diamond will be smoothed into shape this week.

As soon as the grounds are in proper condition the five twilight league teams will begin to function, it was announced. Schedule for this group is also yet to be determined.

**The Most Expensive Thing You Ever Bought**  
**Solar Straw HATS N-O-W!**  
Now honestly, what was the most expensive thing you ever bought? Wasn't it the dress, or the pair of shoes that you put away in the closet after a few wearings — the article that didn't quite please you when you got it home.

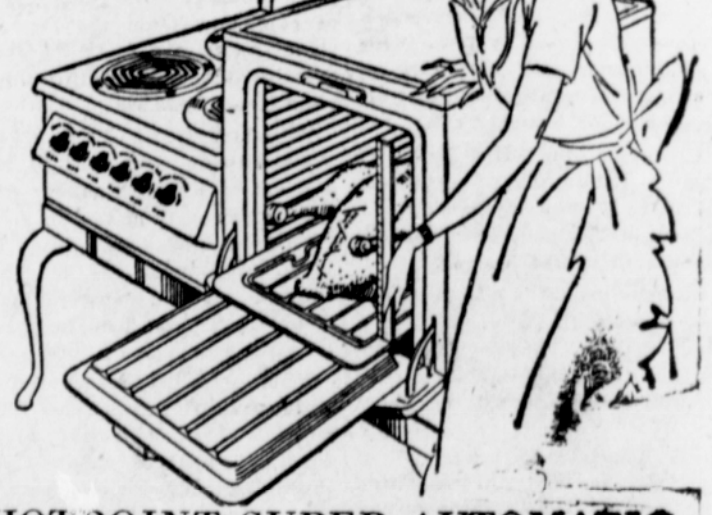

Sometimes this is because your mind was too uncertain, but generally the article did not look as well after a few wearings as you thought it would. That is exactly the reason we do not sell "seconds," job lots or bankrupt stocks. Our merchandise must stand the most rigid inspection before we offer it to you. We don't want any of those "expensive purchases" to be from our store, if we can help it.
