CANDIDATE WAS FORMER SPRINGFIELD RESIDENT

Springfield can lay claim to at least one candidate who is seeking nomination in the primary election tomorrow. He is Fred Walker, for more than 20 years a business man of this city.

Mr. Walker moved to Eugene the first of this year after selling his undertaking business to Charles P. Poole. He had conducted the parlors here for about 20 years. During that time he was active in civic affairs and on leaving here was president of the Lions club. He was affiliated with local lodges.

Mr. Walker, who is seeking the office of county coroner, was here yesterday interviewing friends. Several of his supporters signed a petition which appears in other columns of this paper.

PLANS FOR BAND HERE ARE BEING CONSIDERED

Plans for organizing a band for Springfield were discussed here this week when O. R. Oleson of the band instrument department of Sherman, Clay and company music house was in town to interview local people.

Mr. Oleson believes a band can be recruited here since there are many capable musicians in this city. Bands have functioned here before, but leadership has caused some difficulty. It is proposed this time to secure the services of Prof. Andrew Landles of Eugene if the band is started.

The music company man is especially anxious to see younger men and boys in the band in order that it may be built up here.

The city charter provides a sum annually for the support of a band.

THURSTON

Hubert and Fred Gray left for Klamath Falls last Tuesday where they expect to get employment.

Mrs. William Rennie and son, Harold, motored to Salem last Friday evening where they visited relatives over the week-end.

The veterinary inspector was testing cows for tuberculosis here last Monday.

Last Tuesday Pleasant Hill baseball teams motored over here and played Thurston high school teams, Thurston girls' team won, while Pleasant Hill boys' team was victorious.

The upper grades of public school closed last Monday. The eighth grade students took their examinations on Wednesday and Thursday.

Last Friday the Elmira baseball teams played the Thurston teams on the local diamond. Thurston boys' team won and the Elmira girls' team won.

Mrs. Minnie Thompson became ill last Friday night and was taken to the Pacific Christian hospital where she underwent an operation for appendicitis.

On Thursday Miss Agnes Brightman will hold a class in millinery at the home of Mrs. Taylor Needham under the auspices of the Ladies Aid society.

Mrs. Laura Hadley, who underwent a major operation at the hospital in Eugene some time ago, has recovered enough to be moved to the home of her mother, Mrs. Needham.

REEDSPORT VETERANS TO HAVE JULY 4 PROGRAM

Celebrating the linking of the Roosevelt and Umpqua highways, the American Legion post of Reedsport in Douglas county will stage a big Fourth of July celebration which will be called the Golden Link celebration.

Legionnaires from all parts of the state are being invited to participate in the celebration. A delegation from the coast city was here this week talking to local veterans and inviting them to the coast. Springfield will have a celebration in Midway park according to present plans.

Land and water sports, a sea food dinner, amusements for the kiddies, prizes and prominent speakers are on the program for the Reedsport celebration.

To the coast country the linking of the two highways will mean much, it is stated.

ONLY GRADE A MILK IS FOUND REPORT REVEALS

For the first time since inspection was adopted here, reports from the office of the milk inspector, Dr. L. S. Kent, show that all milk was of grade A. The report covers the month of April.

This shows great interest and improvement, the inspector points out in the report.

Heretofore considerable grade B milk has been found. Dairy men are striving to improve the grade of their product, it is stated.

People here feel that the plan for inspecting milk is proving an asset.
