

MISS ABBIE TOMSETH IS WED TO WAYNE HAWKE

wedding of considerable interest here last week-end was that of Miss Abbie Tomseth to Wayne Hawke of Salem, a former resident of this city. The bride is the daughter of Mr. and Mrs. Peter Tomseth, who reside a short distance south of this city. She has been employed in the Kafoury Brothers store and previously clerked in the Farmers' Exchange. The wedding was at the Tomseth home last Saturday evening, with Rev. C. H. Bloom, pastor of the Baptist church, officiating. About 35 relatives and friends attended. Mr. Hawke, who is employed in the state house at Salem, returned to that city Monday. Mrs. Hawke will join him there soon.

JUNIORS-SENIORS DINE AT FAREWELL BANQUET

Featured by farewell talks by members of the graduating class, the annual junior-senior banquet was held last Friday evening at the Eugene hotel.

Donald Palmer, junior, extended the welcome of his class and Albert Harper responded for the seniors. William Cox, retiring president of the high school student body association, gave the farewell address for his class. A. J. Morgan, principal of the school, also made a short talk in which he commended for the seniors for their achievements during their school careers.

Musical numbers consisted of a piano duet by Francis and Lena Frizell, a vocal solo by Waive Peterson, a vocal solo by Paul Potter and a number by the junior girls' quartet.

MANY SEEK ADMISSION TO WILLAMETTE SCHOOL

In spite of Willamette University's severe entrance requirements, the list of applicants for next year has in-

creased 30 per cent over last spring's statistics, an examination of the registrar's files showed this week.

Only 200 freshmen are admitted each year and these are "hand-picked" through a rigid system of entrance tests and character qualifications. Since Willamette's credits have been officially recognized as being on a par with those of the upper 200 universities of the United States, numerous outstate students are making inquiries and, from all indications, it will be only by turning away those rating lowest that the oldest university west of the Rockies can maintain its student body limit of 500.

C. O. WILSON FAVORED FOR MAYOR; ELECTION TO BE HELD IN FALL

The name of C. O. Wilson has entered the list of eligibles for the office of mayor of Springfield, according to a current report on the streets. Mr. Wilson, who is manager of the Carbolineum Wood Preserving company, is being backed for the office by several of his friends. He has been a resident here for several years and has been active in civic affairs. Mr. Wilson is a veteran of the Spanish-American war.

Election of the mayor will not take place until the general election in the fall. Other candidates may enter the field in the meantime, it is pointed out.

Among those who are prominently mentioned is Lawrence May and M. J. McKlin, both members of the city council. Each is understood to have backing if he chooses to run.

Mayor G. G. Bushman has announced that will not seek re-election, but friends insist that he will be asked to consider the race.

Catch Many Fish—Jack Gorrie and Norman Anderson caught their limit of Salmon in the McKenzie last Sunday. They also caught a number of trout.

TWO BATH HOUSES ARE COMPLETED AT RIVER

Two bath houses were completed this week at the east bank of the river near the bridge.

Boys from the manual training department of the high school under the direction of A. J. Morgan, principal, built the houses, one for girls and women and the other for boys and men.

The Women's Civic club sponsored the movement. This club will provide funds to pay for the lumber used. The boys and Mr. Morgan are giving their services. Officers of the club have requested that Mr. Morgan and his students be publicly thanked for their work.

HUSBANDS TO BE FETED BY LEGION AUXILIARY

Plans for a dinner at which husbands of members of the American Legion auxiliary will be guests, were made at a meeting of the women's group at the chamber of commerce recently.

The social meeting will be on June 6 in the chamber rooms. The following committee will be in charge of the refreshments: Mrs. Bernice Van Valzah, Mrs. Elmer Maxoy, Mrs. D. M. Morse, Mrs. Tony Gravos, Mrs. William Vasby, Mrs. I. M. Peterson and Mrs. D. W. McKinnon.

The auxiliary will participate in celebration of Memorial day, taking a part to be assigned by the general committee in charge of picnics for that event.

Annual poppy sale will be conducted for two or three days previous to Memorial day.

TRENT BOY INITIATED INTO DRAMATIC GROUP

Chester Wheeler of Trent, junior in vocational education at O. A. C. has been initiated into Mask and Dagger chapter of National Collegiate Players, which gives students training in dramatic art. A try-out is held at the beginning of the college year in which all students except freshmen may participate. If elected by the club's judges they become eligible to try out for college plays.

Successful participation in a college production entitles them to active membership in the club. Platform exhibitions are given and standard plays presented during the year.

CAN'T TALK TO WIFE, TOO CROSS AND NERVOUS

"Even my husband couldn't talk to me, I was so cross and nervous. Vinol has made me a different and happy woman."—Mrs. N. McCall. Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very FIRST bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious. Kettel's Drug Store.
