

THE OPEN PURSE

The value of money is in what it will buy--the necessities, the comforts, the luxuries of life. Money spent in this community to buy these things stays here where each person shares in the profits its trading produces.

More modern conveniences, a wider social life, a greater business activity—in fact, a far reaching, ever growing wave of benefits to every citizen of Hometown follows the practise of buying at home.

Open the purse strings — not to spend foolishly, but to buy wisely. Hometown offers you full value for every dollar's worth you buy, plus the greatest of all returns on your money—
