## The Right Grade of OIL

It is coming the time of year when the right kind of oil in your engine is most important. Cold weather is hard on a motor at best, and it is doubly so if a motor is not being perfectly lubricated.

Drive in and let us fill your crankcase with the right kind of oil. It may save you dollars in repairs.

## SPRINGFIELD FOLKS

By J. F. Ketels

We're always careful about choosing out standard drugs and careful in compounding them and comfort accessories—for it is the quality of the goods we sell that reflects our business policy. Immediate, cheerful attention.
