**We Have Come to Springfield to Make Our Home and Build a Business**

After looking over all the towns in this Part of Oregon we selected Springfield as the Logical Place to Build up a business. The stock we had in Bandon that was bought at a Sacrifice in Price and Mr. Inman's stock is not what we want for Springfield. Inman's stock was bought because the Price was so attractive we could not resist the temptation to buy it. But just as quickly as possible both stocks will be disposed of and Replaced with a Complete Line of Men's Furnishings and Shoes. We want you to remember one thing, if we are successful in building a business here it will be through the Co-Operation of the People of Springfield. We only expect a portion of your business and we are going to try to conduct our business along lines that will merit it. Remember One Thing: Every item sold you during our Sale or after we have settled down to a regular business will be just as represented or your money will be cheerfully refunded. We invite you to attend this Sale whether you buy anything or not. We want to meet you, we want to get acquainted, we want to know you and we want you to know us.
