## A Note to the Public

It is with sincere regret that I am compelled to leave Springfield. With the closing of the year (1928) Kafoury Brothersinaugurated a new policy: namely, that their stores will be uniformly stocked, carrying only Women's Ready-to-Wear apparel, Dry Goods and Notions. Inasmuch as we carry a general line of merchandise in Springfield, it was decided to close out this store as the new merchandising plans do not permit of

To my friends and customers, I wish to say in all sincerity, that my stay in Springfield has been a source of great pleasure, and I have always enjoyed serving you in our store and had looked forward to remaining in business here for many years. You may be assured of receiving the same dependable service during the closing-out sale, that is the ideal and high principle of the Kafoury Brothers' Stores, and there must be satisfaction, even unto the last sale.

With deep appreciation for your support, and many favors during the past, and hoping to greet you frequently while we are disposing of this stock, I am, **ALLEN KAFOURY**
