COBURG YOUTH SAVES

HIS FATHER'S LIFE BY TIMELY RESUSCITATION

Oswald Thiel, 15, a member of the Coburg boy scout troop 19 saved his father's life the first of the week when he employed resuscitation upon his father who had been rendered unconscious from a high voltage current sent through his body. A report of the act will be sent to national headquarters by R. A. Clark, Lane County executive of the boy scouts and it is probable that the boy will receive a life-saving medal. The only drawback which may impede him receiving the medal is the fact that there were no witnesses to the act.

The accident occurred when Mr. Thiel was attempting to release a telephone wire from a pole close to electric wires. The telephone wire came into contact with the high voltage of the electric wire and the shock that rendered Mr. Thiel unconscious ensued.
