## RODEO AT LANE FAIR **GROUNDS JULY 3 AND 4**

Sponsored by the Lane County Fair association, a two-day rodeo program is to be held at the Lane county fairgrounds for the benefit of Independence day celebrants, July 3 and Some of the best cowboys and rodeo experts in the Northwest will be on hand for the event, and there will be plenty of busking horses, wild steers, and even two buffalo to test their abuity.

Proceeds from the rodeo will go toward making a bigger and better fair for Lane county late in August, and for this reason fair association officials are asking the support of Lane people for the rodeo. Springfield people are urged by fair officials to spend at least one of the two days in Eugene at the rodeo.

On the first day there will be only an afternoon performance, but all the

F the many advantagesof General Electric Refrigerators, two are especially vital-the hermetically scaled, on-top mechanism and the

all-steel warp-proof cabinet.

The mechanism in any electric refrigerator has but one purpose-to absorb heat from the food. It must be permitted to radiate that heat rapidly just as heat is conducted away from the engine of your car. As heat naturally rises, it can be radiated from the top of the refrigerator. To place the radiating coils anywhere else cuts down their effi-
