Jingle Bells

(Continued from Page 2)

a strike. The men who escaped left word that they would not come back until their demands were acceded to.

Of course it was really a lot more serious than that, but I wrote it up in that fashion for the Daily Mail. Not that I felt particularly paeiotic—far from it; but that is my newspaper style. The public and my employers expect it of me.

What really occupied my mind was the unpleasant recollection of my departure from the Sheridan Dramatic Club and simultaneously from the good graces of one Maryella, eminently desirable spinster. I also had room in my consciousness for an uneasy speculation as to whether or not John Hemingway really thought that I was flirting with his wife. I could get another job, of course, but my berth on the Daily Mail and its allied syndicate was very pleasant and lucrative.

They had to hold the presses for the city edition until I returned from the "pen," so that it was after two when I finally left the office to get supper at an all-night lunch-counter. I turned in about three, but didn't get to sleep for an hour or so after that.

It seemed as if I had barely dozed off when my telephone rang. I got up and answered it.

"Hello," I growled.

"Hello, Tom. This is Jim Cooper talking."

I muttered something under my breath.

"Don't swear," he observed pleasantly. "You ought to be glad I woke you up."

"Glad?" I repeated incredulously.

"What have I got to be glad about?"

"Because Maryella wants to talk to you, for one thing. She asked me to tell you to come over to her house as soon as possible. You see, it is all for the best."

"Go to the deuce," I advised crossly.

"I should be glad to," he was answering in an untruffled tone as I hung up the receiver.

I went back to my nice warm bed, but sleep was effectually routed for the day. My curiosity was aroused.

What did Maryella want? Probably something wherein I would be the nickel-plated goat. I was suspicious.

Still, it was nice of her to make the first move toward reconciliation. In the past that had always been my part. Maybe she knew she was in the wrong and wanted to apologize.

There was only one way to find out. I got up and dressed.

After breakfast I walked to Maryella's house. The air was quite cold and a light snow was falling. We had had cold weather before, and there was a couple of inches of ice on the river, but this was our first snow-storm.

Mrs. Hemingway was with Maryella. The huge living-room of the Waite house was littered with sewing materials, endless ruffles and basting-threads. A cheerful fire was burning in the grate.

The two young women were on the floor cutting something out of white cloth. The atmosphere was too happy and industrious for me to preserve my grouch on. I almost regret to say that I thawed at once.

"We're making pads," Maryella explained after I was comfortably settled.

"For me?" I asked suspiciously.

"—for everybody who needs them," Maryella added hastily, interrupting the hostility in my tone. "For you, for Mr. Cooper and for Mrs. Hemingway."

"For Mrs. Hemingway?" I repeated incredulously. "I don't see what she needs of—"

Maryella interrupted me before I could finish.

"Mrs. Hemingway, who is speechless with modest blushes, wishes me to thank you on behalf of herself and her Creator. As a matter of fact we are not making any pads for her. Quite the reverse, in fact."

"But we are building some for you and Jim."

"You should see the fine large chest we have wished on our husky Greek warrior; and as far as you are concerned—Well, all I can say is that we used Mrs. Hemingway for a pattern. But that is not what I asked you to come over and talk about."

"No?" with a polite inflection from me.

"No. Did you ever read a story I thawed out at once."

"Not yet," I replied with my best noncommittal manner. "I have heard of it though. What's it about?"

"It's about a great many things," Maryella explained seriously, "but mostly it's the story of a girl who believes that no matter what happens it is all for the best. She is an awfully dear little girl, and she always looks on the bright side of everything. It's sort of sad, too, because she gets hurt once and nearly dies, but she cheers everybody up just the same and tells them that it is all for the best because it has been a dull season for the undertakers anyway."

TO BE CONTINUED
