That New Model Ford

When your new Ford needs repairs, bring it to us. Our Ford factory trained mechanic is a specialist on the new model, and will do your work in a manner approved by the makers. Low overhead and personal supervision allows us to repair your Ford at a saving. When you drive it away from here it will be with a feeling of confidence that the job is right.

Home of the Violet-Ray, anti-knock Gasoline — goes farther but costs no more than ordinary gas.

Let your neighbor do your work

We are your friends and neighbors and we are in business in Springfield to stay. Naturally we want to do your car repair work and do it so that we can look you in the eye with confidence that we have given you value received.

We have a personal interest in every job done and we guarantee it to be right. There is no need to take chances out of town when you want garage service. Drive in where you are known.
