Bruce Barton

One of the highest-paid writers in America. Bora a *poor* country boy, he has become not only a great business leader but one of the most articulate editorial voices in the country. Watch for his weekly laudatory articles in this paper.

A resolution you won't break

As the old year rolls out and the new comes in, we would give you a bit of advice. Start the new year with Violet Ray Gasoline.

If you include Violet Ray in your New Year's resolutions, we'll bet it will be one you will not forget to keep.

Costs no more than ordinary gasoline, but goes farther. Violet Ray is anti-knock high test gasoline.
