OUT GOES EVERYTHING!

Unloading Surplus Stock

Unseasonable Weather Earlier in the Season Left us Hundreds of Dollars Worth of Heavy Merchandise that Must be Sold. Our Financial Conditions and Our Business Policy will not Permit Us to Carry It Over.

Only a Few More Days

And we will be closing our First Year's business in Springfield, and our inventory has revealed to us that it has been better than we expected, except some stock due to the backward season that has not moved. Now we are preparing for a new year and we are entering into it with a determination to give the People of Springfield a better store. We feel that we know better what is needed here than we did a year ago. We are going to make some radical changes this spring, and before we make these changes we want to clear out practically all of our present stock. This sale will give the people an opportunity to buy merchandise at prices never before made in Springfield. Every item in our store goes ON SALE Saturday morning at 9:00 a.m., and it's going to be a Real Bargain Event. We invite you all to come and come early. Be there when the doors open.
