Willamette Press

More Mileage and More Pleasure

These vacation days can be gotten from Violet Ray Gasoline than ordinary gas. When the car works right all is lovely, but many a vacation has been spoiled with a balky car.

General Ethyl Gasoline is the latest and most scientific motor fuel. The last word in gasoline.

QUALITY MEATS

We always try to sell only fresh, tender high-grade meats, specially selected and kept in refrigeration under the most sanitary conditions. This care is very important during the hot weather.

Thrifty people trade here regularly because they know the best meats are a saving and a greater satisfaction.
