ANALYZE "The Grange Bill" BEFORE YOU VOTE

191 LEADING CITIZENS AND TAXPAYERS OF OREGON, ON PAGE 55 OF THE VOTERS' PAMPHLET, CONCLUDE THEIR ARGUMENT AGAINST THIS MEASURE AS FOLLOWS:

"WE RECOMMEND A "NO" ON THIS AMENDMENT

"BECAUSE this amendment would open the flood gates of public expenditures at the taxpayers expense;

"BECAUSE it would create a new class of political agencies, and give the unlimited power to incur debt, levy taxes and spend public money;

"BECAUSE it would invite the worst kind of political gerry-mandering for promotional schemes;

"BECAUSE it would discourage new industry from locating in Oregon;

"BECAUSE it would retard efforts to secure federal development of the Columbia, and

"BECAUSE Oregon needs all of its present tax-paying industries to share the necessary cost of government. Oregon cannot afford a new class of uncontrolled tax-spending political bodies, operating tax exempt property in a hazardous business enterprise, at the risk of the already burdened taxpayers of the state."
