"Whaffo' you sharpenin' at razor?" "Woman, they's a path o' gemmun's shoes undeh yo' bed. If they ain't no nigger in them shoes—ah'm gonna shave!"—Purple Cow.

Good Reason

"Hello, Bill! How are you getting along at the store?" "I got fired."

"Fired! What for?"

"I took a label from a lady's shirt-waist and put it on a bathtub."

"But why did you get fired for that?"

"Well, you see, the label read: 'How would you like to see your best girl in this for \$4.50?'"—The Parade.

W.O.W. TO HOLD PROTEST CONVENTION AT PORTLAND

The head camp protest committee of the Woodmen of the World will hold a convention in the Portland, Oregon council chamber, at the city hall on February 9, at 9:00 a. m. for the purpose of considering assessments and legal reserve according to an announcement received this week from Dan Kellaher, chairman of the protest committee.

The committee has decided to call this convention in order that we might all get together and agree on some concrete plan that would be beneficial to the old members that have been forced out, and to the so-called legal reserve members that have been inveigled into taking out these new policies that give them the right to raise the rates practically whenever they feel like it, says the chairman in issuing the call.
