The "Better Homes" program arranged for the members of the Civic Club Tuesday evening at the Community hall by Mrs. A. B. Van Valzah chairman of the program committee, proved to be one of the most interesting meetings of the season for members of this group.

Speakers made the meeting both entertaining and instructive. Three visitors from Eugene, Mrs. W. W. Calkins, Mrs. Jessie Honeyman, and Mrs. John B. Bell, Sr. each made short talks pertinent to the occasion. Mrs. Honeyman, whose family home is in Scotland, told of life as it is lived in Scotland, both in the home and outside.

A representative of one of the large salad oil producing companies was present at the meeting and demonstrated various types of salads and dressings. He gave actual demonstrations in the making of several of the dressings.

This meeting was also designated as the time for exchange of plants and flowers. This habit of members of the club each bringing a potted plant or flower and exchanging with some other member has become an annual affair and has proved to be an easy source of increasing the variety of plants in the average yard.

## More Than \$300 a Week Can Be Earned in "News" Campaign

Unusual Opportunity Afforded Ambitious People; Many Valuable Prizes to Be Given

What is your spare time worth? That's a question most of us would have difficulty in answering without some thought. All of us have more or less spare time which if used intelligently would prove to be a valuable asset in our quest for a livelihood.

If someone told you that your spare time was worth over \$300 a week you would no doubt think that the person was joking or that there was a catch to it somewhere. Well to make a long story short that is what this newspaper is offering right now to some ambitious Lane county resident. We are offering a brand new Graham sedan fully equipped to the person securing the greatest number of votes, which are earned by selling subscriptions to this newspaper to their friends and acquaintances between now and 5 p. m. June 3, 1931.

There are four other valuable gifts and besides that a cash commission of ten per cent of your subscription sales or twenty per cent if you don't share in the awarding of the magnificent gifts.

## Go-Getter Wanted

If you are a go-getter we want you. Lane county can boast of many go-getters and surely an opportunity such as we have been offering is bound to be snapped up by someone. Why not let that someone be you? It is not too late to enter as it usually takes from two to three weeks for a campaign of this magnitude to get running smoothly. With due respect to those who have entered so far we want to say that they are doing fairly well and like the work but there is plenty of room for one or two go-getters. The list of contestants today verifies the above statement—note how little difference there is in votes between most of them. It indicates that thus far a leader has not come to the front.

## Flying Start

Turn to our campaign advertisement in another section of this paper and note how to get a flying start. Then clip the nomination coupon and bring it or mail it to the campaign department and you will be supplied with a receipt book and full information at once.
