No. 16

### IMPORTANT

Not all employees of Drug stores are Registered Pharmacists  
When your Doctor gives you a prescription — be sure you take it to a Drug Store where a Registered Pharmacist will fill it  
He knows and he fills it with painstaking care and accuracy—only a Registered Pharmacist compounds prescriptions here—accurately, efficiently and economically

### Ah-h! That's the Sound — Not a Miss

There's a hum of happiness in the newly over-hauled and tuned motor, all set and ready for a full season of troubleless motoring. There is pleasure in turning over a job to the owner when we know he is going to get more miles per gallon of gas, more power in pick-up after we have overhauled his car.  
And then we have the GAS, and OIL you like to start on any journey

### Three Great Men of Letters

Seldom do three such famous figures in literature get together to be photographed. From left to right these gentlemen are G. K. Chesterton, the famous English essayist, Professor William Lyon Phelps of Yale, the famous American literary critic, and George W. Russell, Irish poet, essayist and painter whose work appears under the pen name of "AE".
