

LUMBERMEN TO MEET IN TACOMA

SEATTLE, Wash., Nov. 10—A mass meeting of the West Coast lumber industry, called by the West Coast Lumbermen's association, will be held at Tacoma, Wash., on November 12.

Two very important questions will be dealt with at the meeting, according to the letter of notification sent out by Col. W. B. Greeley, secretary-manager of the association. The meeting will be attended by loggers, lumber manufacturers and shingle producers. One subject is the production and employment problems of the northwest lumber industry under the present economic conditions. While the United States Timber Conservation Board, appointed by President Hoover to consider problems of the lumber industry, has urged the reduction of mill lumber stocks, the pressure of local conditions has led many operators to continue operations of their plants to provide a certain amount of employment. Linked with this situation is the critical problem represented by the drift of the industry toward lower and lower wages, which is important both from the standpoint of labor and the effort of the industry to hold the price of its products from further collapse.

At the afternoon session discussion will center around the question of whether the association should revise the estimated shipping weights for lumber, the standard used for figuring railroad freight costs when quoting prices on delivered lumber. Full data on this subject, worked up by committees in recent months, has been sent to every lumber manufacturer with a summary of the arguments advanced for and against reductions in shipping weights. The association will seek the judgments and recommendations of the entire industry on this important question.

Thurston

Last week the men of the neighborhood worked two days digging Fred Russell's potatoes for him. Mr. Russell had his arm broken several weeks ago while working on the road near Silverton and he is still unable to use his hand but little.

Mr. and Mrs. Ted Turel from Port Orford spent Friday night at John Edmiston's.

The Ladies' Aid society met with Mrs. Charles Grant last Thursday and quilted. They are meeting again Thursday to finish the quilt. Mrs. Hurst from Spy Rock, California, visited her brother, Charles Taylor, last Friday.

Mrs. Jack Hiller and Miss Lucille Wilson from Corvallis visited Miss Hazel Edmiston last Sunday.

CARD OF THANKS

We wish to express our sincere appreciation for the many expressions and tokens of sympathy during our recent bereavement. We especially wish to thank Rev. Dean C. Poindexter, Mrs. W. P. Tyson, and Mrs. Dallas Murphy for singing.

J. E. Sweeney and family.

RAILROADS TO OFFER CENT-A-MILE RATES

Special Fares to Be Effective for People Desiring to Take Trips Over Thanksgiving

Thanksgiving day "homecomings" throughout Oregon and five neighboring western states are to be made possible for thousands of persons through the re-establishment of cent-a-mile roundtrip transportation fares on Southern Pacific lines for the holiday period, according to announcement made today by Carl Olson, local agent.

Trips may be started Tuesday, Wednesday and Thursday, November 24, 25, and 26, with a return limit of December 3. These dates, Mr. Olson points out, are timed just prior to and including Thanksgiving day, with ample time provided under the return limit for trips "back home" to distant points on Southern Pacific's lines.

Territory involved includes the company's lines from Portland to El Paso and from San Francisco to Ogden, Salt Lake City included. Roundtrip tickets are to be sold, as in previous instances, on the basis of three-fifths the cost of the usual one-way fare. Tickets will be good on all trains, coach or Pullman.

TALKS ON "THE BUSINESS OF PROVIDING JOBS"

"The Business of Providing Jobs" is to be the subject of the radio talk Sunday, November 15, by Dr. Julius Klein, assistant secretary of commerce of the United States, over the coast-to-coast network of the Columbia Broadcasting System, from 4 to 4:15 p. m., eastern standard time. The talk will be heard locally over station KOIN, of Portland.

Dr. Klein will concentrate his attention on the practical measures by which various communities, companies, and trade groups have enabled hundreds of thousands of citizens to "weather the storm" by busying themselves in useful, socially productive jobs. The assistant secretary will stress the fact that many of these excellent local ideas for job creation deserve to be more widely adopted and developed. One of our most pressing business problems at this time is that of bringing unemployed money and unemployed men together in effective fashion, is Dr. Klein's opinion.

EASY PLEASANT WAY TO LOSE FAT

How would you like to lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

How would you like to lose your double chin and your too prominent abdomen and at the same time make your skin so clean and clear that it will compel admiration?

Get on the scales today and see how much you weigh—then get an 85 cent bottle of Kruschen Salts which will last you for 4 weeks. Take one half teaspoonful in a glass of hot water every morning and when you have finished the contents of this first bottle weigh yourself again.

After that you'll want to walk around and say to your friends, "One 85 cent bottle of Kruschen Salts is worth one hundred dollars of any fat person's money."

Leading druggists America over sell Kruschen Salts—you can always get it at Ketels Drug store.

PLANS MADE TO AID UNEMPLOYED

35,000 Men in Oregon Unemployed, Says J. M. Devers, Highway Attorney

\$3 IS SCALE OF WAGES

Collection Agencies Hit for Attempts to Attach Money Given in Charity Move

Oregon has to provide for 35,000 unemployed men during the next five months. This estimate is that of J. M. Devers, attorney for the state highway commission, who under direction of Governor Meier has completed a state-wide survey.

Mr. Devers was here last week looking over the situation in connection with state highway funds to be expended on emergency road work to provide jobs for the workless.

The state program to provide road work for the unemployed has been formulated and a wage of three dollars a day will be paid, Mr. Devers said. In order to spread the emergency funds as far as possible the plan is to have men work for two weeks and then be off for two weeks.

In this state work already there has appeared a menace that Mr. Devers says is to be fought to the utmost. This is suits started by collection agencies to collect old debts from the state funds that are being paid out.

"This is an emergency relief work and the money paid to road workers is for care of themselves and their families. In several instances we have found that collection agencies have attempted to attach these emergency wages for old debts. I will say right now that if any attempt of any collection agent or other organization or individual to try and take those wages away from road workers is started that we will use every legal power of the state to protect these men and their families.

Several weeks ago Mr. Devers made a tour of the state to study the unemployment situation and last week he made another trip. The second trip showed that unemployment was a much more serious problem than was revealed on the first tour.

MORE TURKEYS HERE THIS YEAR

Increase of 10 Per Cent in Number of Birds is Estimate of County Agent

Lane county will have between 16,000 and 17,000 turkeys for the market this season, judging by an estimate made by O. S. Fletcher, county agricultural agent, who has surveyed the situation here.

The local market will, perhaps, absorb from 2000 to 3000 birds and the remainder will be shipped mostly to California points.

The first pool of Lane county turkey growers will be closed Tuesday, November 17, when birds from this district will be received at the Eugene Fruit Growers association.

Lane county will have about 10 per cent more turkeys for the market this season than last, Mr. Fletcher says. The state increase is about 10 per cent also but the national increase is about 1.7 in number of birds for the 1931 market.

McKenzie Valley

Mr. and Mrs. Joe Putnam spent the week-end with relatives at Deerhorn.

Kenneth Jennings is at his home at Waltherville again, the heavy rains of the past few days having checked the roadwork for the present.

The Waltherville and the Leaburg Ladies' Aid are each planning a bazaar for the near future. At Waltherville the bazaar articles and refreshments will be sold in the lower story of the I. O. O. F. hall following a short program at the Waltherville church Friday evening, November 12. At Leaburg a silver tea will be combined with the bazaar. Mrs. L. S. Brown will be hostess for the occasion. The date chosen by Leaburg for the combined silver tea and bazaar is Thursday afternoon, December 3.

The Deerhorn P. T. A. will hold its monthly meeting at the Deerhorn school house Wednesday evening, November 18. Visitors are welcome.

B. F. Minney and C. O. Gilmore have each had petitions in favor of their candidacy for district county road supervisor circulating recently. Mr. Minney has been in charge of the road work in the district for many years.

Creswell

Between \$135 and \$145 was realized from the entertainment for the volunteer fire company at the W. O. W. hall Friday night. The program opened with an original skit by members of the local fire company; a violin solo by Mildred Wilkins accompanied by Harriet Moore; tap dancing by Jean Lloyd first aid demonstration by the Boy Scouts; accordion solo by Ralph Mercer; a comedy skit entitled "Toot a Toot," by Winters Wallace and Helen Melborn; a mens chorus led by F. K. Noordhoff; Wilma Beard in costume of cowboy with song and ukulele; comedy readings by Kathryn Warner; vocal duet by Mrs. C. I. Kent and Mrs. C. J. Crittenden and a closing comedy skit by members of the Neighbors of Woodcraft.

A delegation of Odd Fellows from Elmira came over Wednesday evening and made a fraternal visit to the local lodge. About 24 in the company. During the session several interesting and entertaining speeches were made and a pleasant social hour was enjoyed over refreshments served in the dining room.

A surprise pot luck luncheon was tendered Mrs. Ellen Lower at her home Tuesday noon honoring her birthday. Those present were Mrs. J. E. Woodson, Mrs. E. A. Schwering, Mrs. C. E. Leabo, Mrs. Ethel Everson, Miss Anna Lou Groshong, Mrs. Leslie Goheen, Mrs. Arthur Olson and Mrs. Cora Olson.

Wednesday was Ladies' Aid day of the several churches. The young ladies auxiliary of the Methodist church met with Mrs. J. E. Smith; the senior aid met at the annex of the church; the aid of the Church of Christ met with Mrs. Clayton Kivet; and the aid of the Presbyterian church met with Mrs. J. A. Blankenship, Mrs. Al Schwering assisting as hostess. All worked on something for future bazaars or events in sewing, quilting and preparation of saleable articles.

Harold Dixon came up from Portland Wednesday where he has been employed. He will be at home for a while with his father, C. W. Dixon.

Mrs. Walter Dixon died at St. Paul, Minnesota, on Thursday after a long illness. She is the daughter in law of C. W. Dixon, local banker. Mr. and Mrs. Walter Dixon visited Mr. Dixon at Creswell about three years ago.

Mrs. C. W. Dixon, newly elected president of the Ladies' Civic Improvement or executive committee

for the next year at her home Thursday afternoon and completed plans for the year book for 1932. Those present were Mrs. Dixon; first vice president, Mrs. M. A. Horn; second vice president, Mrs. Ed Anderson; recording secretary, Mrs. F. K. Noordhoff; corresponding secretary, Mrs. E. A. Schwering; treasurer, Mrs. Ralph Yoder; auditor, Mrs. G. H. Davidson; retiring president. Ladies representing the past presidents present were Mrs. N. E. Steele, Mrs. Geo. Snere, Mrs. Clara Traxler, Mrs. Clyde Wright, Mrs. C. H. Sedgwick.

BREAKFAST IMPORTANT MEAL SAYS DOCTORS

EUGENE—"Poor health lurks around the corner for the person who habitually goes without breakfast."

This is the warning issued by the Educational committee of the Oregon State Medical society which finds that many girls go without the morning meal in order to keep slender. Practically every city has hundreds of these underfed who are starving for thinness.

"The fad of slenderizing has become as great a health problem as disease," continues the health bulletin. "Efforts at slenderizing must be blamed for the large number of absences from work. The breakfast is an important meal of the day."

"The question as to what constitutes a good breakfast should be determined somewhat by the activity of the individual and the time at which he is to have his next heavy meal. Those who have ample noon meals and are sedentary workers may have very light breakfasts, such as fruit, some kind of break stuff (toast, rolls, or muffins) and a beverage, coffee, cocoa or milk. If the worker takes little food at noon, breakfast should include fruit, cereal, breadstuffs and a beverage at least."

"If one has an active occupation eggs or occasionally meat, and one other hot dish such as potatoes may be added to the fruit, cereal, bread and beverage menu.

"For the usual mixed family group, where the adults are not very active muscularly, the fruit, cereal, bread and beverage (excluding coffee for children) type of breakfast is most convenient as it provides what the children need as well as what is best for grown-ups. For one who wishes occasional variety an egg or a service of bacon may be added without much trouble. As a rule digestion is better when there is one hot dish served at each meal. Sometimes the beverage provides for this."

"To those who are afraid of excess baggage in the form of overweight, we should suggest that the light breakfasts we have outlined are quite necessary. It is more likely that an excess of sugars and starches is the chief cause of a tendency to store fat or that the amount eaten makes a difference. Certain it is that the slenderized figure so much in vogue today does not have the unqualified approval of medical authorities. Marked underweight or overweight are equally foolish and dangerous. One industrial staff physician says that 'the going without breakfast habit is a pernicious one and is apt to lead to very poor health.'"

COUNTY ROAD AID WORK IS BEGUN

First of Emergency Construction Projects Gets Under Way on South Alder

WAGE TWO DOLLARS DAY

Between Forty and Fifty Men Will be Given Employment During Coming Winter

First of the Lane county emergency road construction jobs was started yesterday when a number of men were put to work on the grading of the South Alder street road.

This project will be all hand labor and no machinery will be employed, according to O. E. Crowe, county commissioner.

A wage of two dollars a day will be paid and every effort will be made to provide as much employment as possible during the winter. Road grading by hand labor may not be as efficient as machine work but it will make more jobs and that, according to Commissioner Crowe is what is needed now.

Between forty and fifty men will be employed on this project during the winter, Commissioner Crowe said.

Another road job where all hand labor will be employed is the Mosbey Creek project and this will be taken up in the near future.

SCHOOL TROUBLE RISES UP AGAIN

Parents of Children in District 17 Warned to Attend Classes Before Thursday

TUITION IS REASON

County Superintendent Takes Action in Regard to Non-Attendance

Affairs in school district No. 17 which were in the forefront of publicity several weeks ago are again causing difficulty for the county school superintendent's office.

Warning notices were sent out yesterday to parents of some dozen children of the district that by Thursday they must be enrolled in school.

Following trouble over the hiring of a teacher a number of weeks ago all children with the exception of seven were withdrawn from the school. The county superintendent notified parents that their children must attend school as required by state law.

About twelve pupils whose parents refused to send them to the school as a protest against the hiring of the new teacher started to attend the Laurel Home school. These pupils are not now attending according to a report at the office of the county school superintendent. Payment of tuition was required and this is said to be the reason why the pupils are not now in school. Seven pupils are attending district 17 school now.

On Guard . . .

Like a sentry in time of war the Drug Store is always on guard, day or night, with medicine to fight disease. We carry only nationally known drugs and we never substitute.

We are always glad to give you the benefit of our training and experience. Try the drug store first.

Four-H Turkey Group to Display

Natron Group to Make First Exhibition at Show at Oakland in December

First showing of a Lane county Four-H turkey club will be made at the annual turkey exhibition to be held at Oakland, Douglas county, early in December.

There is one turkey club in Lane county, the Natron club, and this is among the very few of these clubs in Oregon.

About six members of the club will have birds entered in the Oakland exhibition which attracts entries from many points in the Willamette valley as well as Lane and Douglas counties.

Estate to be Probated—Anno Vaughn has been appointed administratrix of the estate of Hugh Morrison, who died in Washington leaving an estate of \$600 here.

"I just passed Bill Skidmore down the street and I never saw such a change in a man—he was walking along as if he owned the earth, and he never even saw me."

"That's simple. I saw him, too, as he was parking his car in the only space available in the entire shopping district."

Heat With Gas

health economy, convenience

Sunshine heat from gas-fired radiants for every room in the house.

The HUMPHREY Radiantfire

There's a way to avoid chilly discomfort at the beginning of the day. Just let us install a Humphrey Radiantfire in your bedroom. Start it up when you close the window . . .

Radiantfires are healthful, too, for every room in the house. They throw off that glowing, penetrating "sunlight" heat which is nature's method of warming the human body. And they burn gas, which means flexible and economical heating service.

We will demonstrate, if you wish.
