SCHOOL FINANCES TALKED BY BOARD

Directors Come Within \$500 of Putting Schools on Cash Basis January 1

MORE FUNDS RECEIVED

Springfield District Finances in Good Shape Despite Delinquent Tax Payments

Payment of all general fund warants issued prior to the last meeting of the school board of Spring field district number 19, can be made at once it was announced Monday evening at the monthly meeting of the school board by C. F. Barber, clerk. A call for these war rants, all up to and including 2029, was issued this week with interest cease on January 9, 1932. The last warrant called was issued December 21, 1931.

There are approximately \$500 in outstanding warrants now unpaid which is probably as low as the warrant indebtedness will get until the close of the school year in June

The late arrival of tax funds last week reduced the difference he tween receipts of last year and this \$2000 total which will not be received due to a lower district tax levy in the present budget.

Shortage of funds because of

payments even greater. Had the district received all of the funds which it had a right to expect the district would now be Mr. and Mrs. Golay were driving on a cash basis as it was last year forthcoming each year is one of the difficult problems facing any tax levving body declared C. A. Swarts. chairman of the school board. School boards do not want to levy a district tax excessive beyond the same time they would like to know just how much of a levy can be expected when it is made. They depend on receiving certain funds
