Community Bargain Days

FRIDAY and SATURDAY, MAY 27 and 28

To the People of This Community:

This is a special invitation from the Springfield Chamber of Commerce and merchants to attend Bargain Days in our city Friday and Saturday. We are holding these Bargain Days for the sole purpose of bringing more country people into our city to trade and to get better acquainted with everybody living in the eastern part of Lane county.

We are proud of the service our merchants give, the quality of their goods and the fair prices they charge. We think if you become better acquainted with us you will appreciate more and more this service and the advantages of trading in Springfield.

You will find a very complete stock of quality merchandise in our stores. The owner himself will wait on you or be present to see that you get exactly what you want. He will also guarantee everything you buy to give satisfaction. In these days with money not so plentiful as it was once upon a time it helps the whole community if you buy in home-owned stores, where more of the money remains at

home where we may use it over and over. Especially do we feel that it is wise to do this when you can buy such bargains as are offered in this circular and receive low prices on everything you need in Springfield at all times.

Merchants here are not burdened with high rents, heavy overhead or excessive advertising expense in order to do business. It stands to reason that they are going to give as much or more for your money than you can secure anywhere else.

There are no parking restrictions in Springfield. You can come and stay as long as you like. You can also park in front of the store you are trading at and load in your merchandise without lugging it many blocks through congested city traffic.

If you appreciate these Bargain Days we are going to hold more of them. We want you to get the habit of stopping in Springfield — MAY WE WELCOME YOU HERE FRIDAY AND SATURDAY.

Yours truly,
 SPRINGFIELD CHAMBER OF COMMERCE
 By W. K. Barnell, President.
