ter read as follows: "Contrary to textbooks and popube first payment to the piper. We lar biographies, evidence has been do not know who the actual au. found revealing Thomas Lincoln thors of the Zorn-Macpherson bill as descended from an old and disare, but we know from months of tinguished family-a family of at work and hard facts that the gilded least moderate wealth, certain soclaims of its promotors are impos- cial distinction, and very definite political prestige. Instead of being a squatter, Thomas owned all his homes and other real estate and was in good standing with the local merchants. Thomas went to work as a day laborer, then a carpenter. He apparently was a hard worker and thrifty, for he bought four different farms and until he became an old man prospered as much as

the average pioneer." Ancestor was a Governor "These records show that he was directly related to the famous Lincoln family of New England, one of his kinsmen being a governor of Massachusetts, another a governor of Maine, and a third Thomas Jefferson's attorney-general. His own grandfather, Abraham Lincoln, Sr. was a prominent citizen and owner of 5,544 acres of Kentucky land when massacred by Indians in 1786. His widow lost most of the land

through faulty land titles." "In denial of the charge that Thomas Lincoln was illiterate, a court document signed by him in 1803, six years before the president's birth, has been found.

"Although I have been engaged in Lincoln research for more than ten years, the last four have been devoted almost exclusively to examination of Lincoln's ancestry. Hornsby, who resigned.
