Red Cross Spends \$2,760,000 to Help Victims of

Catastrophes. In a year of great misfortune caused by economic depression, in which the American Red Cross assumed heavy burdens of relief for the unemployed, the organization also responded t emorgency needs in 60 disasters in the United States

and its insular possesions. June 30, 1932, the Red Cross gave aid to 75,000 families totalling 333,-050 individuals, with expenditures of \$2,760,786. These people were in distress because of drought, flood, forest fire, tornado, snowstorm, mine explosion or other similar

great disaster. Prolonged drought caused the Red Cross to go with help to 58,000 families in the northwest. Here in 144 counties in North and South sury to feed and protect people through the winter and spring. Other grave disasters were floods n southeastern states, where the organization spent \$192,000 from its treasury and \$66,000 local contribu-

tions to help 13,000 persons. More than 50,000 people were of the Mississippi river and again the Red Cross facer a long relief task, aiding these people. The national organization gave \$108,000 \$ 2,550.00 and local contributions were \$10,000.

The Red Cross always maintains a state of readiness to meet these other essentials to this work are They were enroute to Portland. supplied, in part, by the annual roll call, held each year from Armistice Day to Thanksgiving Day. Every citizen can support this worthy activity through joining as a member in the local Red Cross chapter.
