The Freight Truck and Bus Bill DOES NOT INCREASE BY ONE CENT the license fees of 20,000 farmer-owned and other privately-owned trucks. It DOES NOT restrict or interfere with the operation of such trucks.

It will eliminate the big trailer, cut load weights to 17 tons, lengths to 40 feet. It affects the operation of forhire trucks which are conducting business for profit on the highways and which use and damage our highways without adequate payment and with little regard for the safety of the traveling public or the working hours and conditions of labor of truck drivers.

LOWER The Farm Truck Owners Association of Marion County believes that license fees on Farm Trucks and Private Trucks should be reduced and can be reduced by this Bill without danger to Oregon highway construction.

The association has no interest in the railroads—it holds no brief for the BIG PORTLAND TRUCKING OUTFITS that use the highways perhaps more than all the farm trucks and private trucks in the state put together.

Motor transportation matters in Oregon are in a mess. The association stands for a scientific investigation of all truck fees and pleads for sound regulation in the interest of the state and its people.

This Bill The Freight Truck and Bus Bill provides for an investi-Favors gation by the State Highway Commission which should result in legislation that will help the farmer and the private truck owner.

> The Farm Truck Owners Association of Marion County therefore RECOMMENDS that every farmer and every private truck owner-
